INTERNAL OPENINGS
CASO will be working throughout the summer months gathering donations of items to sell at our annual Silent Auction, which will be held in conjunction with August convocation. This fundraiser is one of our major events of the year because it is our primary source of raising money to fund CASO Student Scholarships. We will also feature an item to auction from the Burley Blunk collections. Proceeds from the sale of the Blunk collection go to the Bill Jeffers Scholarship fund.

Because of a change in work schedule and a retirement, CASO will soon begin seeking nominations to fill the secretary and vice president positions. We also need to replace PDC and SCC delegates. We plan to hold an email election in July.

Wishing each of you a safe and happy summer.

Ina Sommers, CASO President

Staff Present: President Jeanne Swarthout; Interim Vice President Maderia Ellison; Vice President Mark Vest; Director PJ Way; Recording Secretary to the Board Paul Hempsey.

Agenda Item 1: Call to Order
Chair Handorf called the meeting to order at 10:02 a.m. and Mr. Winslow led the Pledge of Allegiance.

Agenda Item 2: Truth in Taxation Publication
Interim Vice President Ellison addressed the Board and stated the college was following Arizona statutes by notifying property taxpayers of its intention to raise primary property taxes over last year’s level and holding a Truth in Taxation Hearing. Interim Vice President Ellison noted that the initial press release had contained an error and was therefore reissued with a correction.

Chair Handorf confirmed that $3.50 would be the increase on a $100,000 home for the year, or approximately 29 cents per month. Interim Vice President Ellison stated it was.

Mr. Lucero asked what the total increase would be for the taxpayer. Mr. Matteson answered that for a $100,000 home the total property tax would be $175.34. Mr. Lucero asked when and how the property tax rate could go down. Mr. Matteson responded that the Board would be responsible for making the decision to reduce the tax rate. Mr. Winslow commented that the meeting packet had included information on tax rate reductions in many districts around the state including Northland Pioneer College. Mr. Winslow continued that the taxpayer focuses less on the tax rate and more on the amount of the tax bill commenting that the tax rate could go down but the tax amount could still go up and the taxes that Navajo County Community College District levies is not the only county tax.
Agenda Item 3: Request of Proposed 2016-2017 Primary Property Tax
Interim Vice President Ellison reviewed the Proposed 2016-2017 Primary Property Tax with the Board commenting that Northland Pioneer College was proposing the maximum allowable levy limit of $14.3 million dollars with a corresponding rate of 1.7884.

Mr. Lucero asked what the percentage increase to the levy was. Interim Vice President Ellison responded that it would be 2.6%.

Chair Handorf asked when the secondary tax rate, that ended in 2009 was actually adopted. President Swarthout suggested it was adopted around 1999.

Agenda Item 4: Call for Public Comment
Interim Vice President Ellison read a statement from Mr. Lowry Flake in objection to the tax increase.
Mr. Jay Williams addressed the Board in objection to the tax increase.
Mr. Brad Farber addressed the Board in objection to the tax increase.
Mr. Wayne Reeves addressed the Board in objection to the tax increase.

Agenda Item 5: Adjournment
The meeting was adjourned at 10:35 a.m. upon a motion by Mr. Matteson, a second by Mr. Winslow, and a unanimous affirmative vote.

Respectfully submitted,

Paul Hempsey

2016-2017 Proposed Budget Public Hearing Minutes
May 17, 2016 – 10:00 a.m.

Governing Board Member Present: Ms. Ginny Handorf; Mr. Daniel Peaches; Mr. James Matteson; Mr. Prescott Winslow; Mr. Frank Lucero.

Agenda Item 1: Call to Order
Chair Handorf called the meeting to order at 10:35 a.m.

Agenda Item 2: Presentation of Proposed 2016-2017 Budget
Interim Vice President Ellison addressed the Board and presented the Proposed 2016-2017 Budget commenting the Preliminary budget adopted in April remains unchanged.

Mr. Lucero asked if there was a document that showed how much tax revenue the other community colleges bring in each year. Interim Vice President commented that the document was provided during the Truth In Taxation meeting but did not list the amount in dollars. Mr. Lucero asked how Northland Pioneer College would compare to other Arizona Community Colleges in terms of revenue brought in from taxes. Interim Vice President Ellison commented that the college is not comparable to Maricopa or Pima Colleges but in terms of budgets we would be in the middle to lower half of rankings.

Mr. Matteson commented that the documents showed Healthcare costs had increased by 20% which was out of the college’s control. Revenue generated by Property Taxes is less than last year even after an absolute maximum increase in the rate, by $147,386, while costs imposed on the college have gone up.

Mr. Matteson asked the percentage cost of Administration at the college. President Swarthout responded that she would estimate at 15% mentioning that during the recession of 2008 the college decreased the administration almost in half and that remains in place today. Mr. Matteson commented that costs, out of the college’s control, have gone up, centrally assessed property valuations had decreased significantly but the college was frugal with money, cutting
administration costs in half and spending the money on the education of students, many of whom he was pleased to meet at graduation recently.

Mr. Winslow commented that often, in media articles regarding the cost of administration in education, it is difficult to compare institutions particularly using percentages. As an example he noted that Northland Pioneer College (NPC) does not specifically separate out Information Technology costs for instruction from the costs of running the college overall. Interim Vice President Ellison agreed with Mr. Winslow pointing out that in the budget over $10 million was marked for Instruction but technology costs were listed under Institutional Support and the majority of money spent by the Information Services department was to support instruction. Mr. Winslow added that one of the reasons the college has a substantial budget for Information Technology is due to the nature of the college as a multi-location institution serving two counties that, combined, are the approximate size of West Virginia. By providing a distance learning model for students of all ages, that is expensive, savings are passed to students who would otherwise have to travel great distances to attend classes.

Mr. Lucero asked if there was a line item for the remodel of the SCC campus. Interim Vice President Ellison responded there was not.

**Agenda Item 3: Call for Public Comment**

Mr. Farber addressed the board and asked the college to comment on the IPEDS Report and in particular graduation rates, the Kid’s College program and how it might figure into the FTSE and his confusion over the reporting of student numbers.

Vice President Vest responded that IPEDS is a federal reporting requirement designed for the universities and really geared toward full-time students. Several years ago Community Colleges were also required to report the same data. IPEDS reporting does not work well for Community College reporting especially those like NPC. To be counted in an IPEDS cohort you have to be a full-time, first-time student which accounts for less than 10% of NPC’s student population. A lot of those students are also in the Nursing Program which takes longer to complete than the Federal Government says a full-time student should take to complete a community college degree. Therefore, even though the college has a high completion rate in Nursing they are still listed in IPEDS as non-completers.

There are many other measures that could be used but still NPC is not satisfied with graduation rates and has implemented the PASS program to improve those rates but over the past four years there has been a significant increase in certificates and degree completion. 76% of the college’s students are part-time and a large part of the full-time students took Dual Enrollment classes at area high schools and are automatically excluded from IPEDS due to the use of the four year university model. They expect each student to be 18 years old and just out of high school and never had college coursework which is simply not the profile of the community college student. The average student age at NPC is 32 so our typical student does not fit the IPEDS profile or show up on the report.
Vice President Vest went on to discuss the difference between FTSE and Headcount. NPC counts enrollment in two different ways. Internally the college looks at headcount for the reason that, if a student sees an advisor, it is not relevant to the college whether they are part-time or full-time. They are there to meet with an advisor and need to be serviced. The state wants an annual report on what they call Full-Time Student Equivalency (FTSE) which is calculated by taking all the credits that students are enrolled in and divide them by a formula number to give an equivalent number of full-time students. Using Spring Enrollment at NPC as the example Vice President Vest stated the college had 3505 students enrolled in credit bearing classes and around 700 students in non-credit classes giving a total student population of over 4000. Our FTSE count was about 1725. The annualized FTSE number reported to the state last year was 1853 which includes FTSE counts for regular classes in the fall semester, short-term classes which may run a day or week or a month, regular enrollment for the Spring semester, short-term enrollment in the Spring and the summer. Then we need to back out online students from outside the state of Arizona who cannot be included. The state then uses this figure to calculate state aid. Mr. Farber commented that, knowing what he does now, he would be interested to see how many credits were successfully completed last year to establish a pattern for the school moving forward. Vice President Vest mentioned he did not have the data available at the meeting but could provide it at a later time.

Vice President Vest mentioned that community colleges upload data on all their students to a database called ASSIST which the three state universities then use to pull data on students who transfer to universities from community colleges and provide a report on how our student are doing. Two things have been learned from this report. Students who complete at least an Arizona General Education Certificate (AGEC) at community college graduate at a higher rate and sooner from a state university than students who enter as a freshman. Universities suggest this is because it is much cheaper to begin at community college and students from small, rural communities that go to a major university struggle their freshman year, because of the change in culture and the size of classes.

On the subject of Kids College, Vice President Vest stated it is an initiative started a few years ago and run out of the Corporate and Community Learning division with the aim to be self-funded. The teachers hired to teach in Kids College are paid by the fees students pay to be in the class. The rationale and aim is to give kids something that is fun, but also educational, during the summer and spark an interest in college for when they arrive at high school. Over half the classes meet the category for Science, Technology, Engineering, and Math (STEM). The classes are non-credit, and therefore do not count towards FTSE, and along with a consortium of seven other community colleges NPC has a National Science Foundation Grant that provides a lot of the classroom instructional materials and equipment used in the Science and Math classes. Mr. Farber asked how the Dual Enrollment students are counted in the cost of doing business to justify the budget. Vice President Vest stated they were calculated in the total FTSE count of the college but the Legislature tried to deal with this by reducing state aid by half for those students.

Chair Handorf commented about the savings for a student attending a community college and highlighted the Arizona All-Academic Team awards. At the recent NPC Graduation ceremony the keynote speaker, Dr. Rufus Glasper former Chancellor of the Maricopa Community College
system commented that he was always impressed by the percentage of students from NPC receiving awards. Chair Handorf also mentioned the savings to a student through half price tuition for summer classes and the scholarships available at NPC.

Mr. Reeves commented that he would like to see a Certified Audit carried out, by a third party, at the college which could show potential cost saving ideas, efficiency improvements, or ways to increase revenues.

**Agenda Item 4: Adjournment**

Agenda Item 2: Request to Approve 2016-2017 Proposed Tax Levy
Interim Vice President Ellison reviewed the Request to Approve the 2016-2017 Proposed Tax Levy stating that staff recommends approval.

Mr. Matteson asked if the maximum increase to a rate of 1.7884 will actually cause a decrease in the levy of $147,386. Interim Vice President Ellison affirmed.

Mr. Winslow asked for the change in Equalization funding from last year. Interim Vice President Ellison responded that the college would see an increase of 4.2% or $243,500. Mr. Winslow commented that he has no issue with the quality or value of education at the college and will support the levy increase because of the Equalization funds received, to show that we understand other tax payers, from outside the county, are helping to fund education in Navajo County and the increase in the levy rate is a reasonable price to pay for receiving Equalization funding.

Mr. Matteson moved to approve the proposed 2016-2017 property tax levy rate as presented. The motion was seconded by Mr. Winslow. The vote passed upon a roll-call vote, with affirmative votes from Mr. Winslow, Mr. Matteson, Mr. Peaches, and Chair Handorf. Mr. Lucero opposed.

Interim Vice President Ellison reviewed the request to Approve 2016-2017 Proposed Budget with the Board stating there had been no changes since the Board approved the preliminary budget in April.
Chair Handorf commented that, once the budget was adopted, there could be no increase. It can only be decreased.

Mr. Matteson commented that the adoption of the budget does not mandate that the college will spend all the money but must live within the totals.

Mr. Matteson moved to adopt the proposed 2016-2017 budget as presented. Mr. Winslow seconded the motion. The motion passed upon a unanimous roll-call vote.

Agenda Item 4: Request to Adopt 2016-2019 Proposed Capital Budget
Interim Vice President Ellison reviewed the request to adopt the 2016-2019 Capital Budget stating staff recommends approval.

Mr. Lucero asked about the $1.5 million for Administrative Services. Interim Vice President Ellison commented that this is where the money for ongoing maintenance needs is held in the budget. Mr. Matteson moved for adoption of the 2016-2019 proposed capital budget as presented. Mr. Winslow seconded. The motion passed with a unanimous roll-call vote.

Chair Handorf commented that each member of the Board was elected, from a particular area in the county, to represent voter’s opinions on the issues for Northland Pioneer College. This comes with a fiduciary responsibility to do what is best for each area and the college as a whole and try to do that.

The best estimate at the moment would see expenditures of approximately $4.5 million, therefore under budget by $545,500.00, but the college continued to evaluate redeploying funds to other divisions that may be able to utilize it on lower prioritized items already in the Capital Budget plan.

Mr. Winslow asked if a family was already lined up and if the project was sustainable so that another house could be started before the sale. Associate Dean Jackson responded that the college was reviewing advice from different entities, such as Habitat for Humanity, on the sale of the house but no family had been lined up yet. They would have a meeting today to discuss the future of the IBest Program and what would be the next program so could report back in the future.

Students Antonio Soto and Deven Endfield commented that it was a great program and they have been enjoying it and thanked the college for hosting the project.

Mr. Winslow asked how progress was going with connections to potential employers for the students. Mr. Matteson asked Mary Springer for a brief review of the project. Mary Springer addressed the Board and stated the county had received money through the Emergency Management Performance grant as well as the Health District for a Public Information and Warning System noting the best way to reach county employees was now via their cell phones or email. The county was approached by Stuart Bishop with this really great idea and opportunity to form a partnership and thanked the college for being the pioneer for this agreement.

President Swarthout has been spearheading the project while the search for an Institutional Effectiveness Director continues. President Swarthout commented that the college is in good shape and has a real advantage on writing the document through the work she completes for the HLC as a Peer Reviewer.

Mr. Winslow asked what the process for the HLC to evaluate how the Quality Initiative is progressing and if there is a role for the Governing Board in the oversight of the initiative. President Swarthout responded that the roll of the Board with the HLC has narrowed with the new process. Board documents, such as minutes, will be important and she would like to have Board members attend next year’s HLC Annual meeting. The PASS team has regular contact with HLC Academy Team Leads who provide a lot of feedback. President Swarthout commented that there will be an end report by the HLC but they don’t hand out grades.

Tenant shall at any time and from time to time, upon not less than thirty (30) days prior written request by Landlord, execute, acknowledge, and deliver to such party a statement in writing certifying that this lease agreement is unmodified and in full force and effect (or, if there has been any stating the modification or modifications); there are no defaults existing (or if there is any claimed default, stating its nature and extent); and the dates to which the rent and other charges have been paid in advance. It is expressly understood and agreed that any such statement delivered pursuant to this section may be relied upon by any prospective purchaser of the estate of Landlord, or any lender or prospective assignee of any lender on the security of the Premises or the property of which it is a part or any part of it, and by any third person.

14. SECTION FOURTEEN-ABANDONMENT OF PREMISES

Tenant shall not vacate or abandon the Premises at any time during the term. If Tenant abandons, vacates, or surrenders the Premises, or is dispossessed by process of law, or otherwise, any personal property belonging to Tenant and left on the Premises shall be deemed to be abandoned. At the option of Landlord, such property may be removed and stored in any public warehouse or elsewhere at the cost of and for the account of Tenant.

15. SECTION FIFTEEN-REMOVAL OF TRADE FIXTURES OF TENANT AT END OF TERM

If Tenant shall fully and faithfully perform all of Tenant's obligations under this lease agreement, then Tenant may, and upon the request of Landlord shall, remove all trade fixtures installed in the Premises by Tenant at the expiration or termination of the term of this lease agreement, or any renewal of this lease agreement, provided that such removal may be effected without damage to the Premises.

16. SECTION SIXTEEN-SURRENDER OF LEASE AGREEMENT

The voluntary or other surrender of this lease agreement by Tenant, accepted by Landlord, or the mutual cancellation of this lease agreement, shall not work a merger and shall, at the option of Landlord, terminate all or any existing subleases or sub tenancies or operate as an assignment to Landlord of any or all of such subleases or sub tenancies.

17. SECTION SEVENTEEN-HOLDING OVER

Any holding over after the expiration of the term of this lease agreement without the consent of the Landlord shall be construed to be a tenancy from month-to-month at a rent equal to twice the rent payable if this lease agreement was still in force and effect.
18. SECTION EIGHTEEN - GRACE PERIOD

A. No default or breach of any of the covenants and conditions of this lease agreement shall exist on the part of Landlord or Tenant until the party claiming default or breach shall serve upon the other a written notice, as provided in this lease agreement, specifying with particularity wherein such default or breach is alleged to exist, and the other party has failed to perform or observe such covenant or condition, as the case maybe, within fifteen (15) days after the serving of such notice on it.

B. In the event, however, that any penalty be incurred or created or interest be charged by reason of lapse of time due to the failure or omission of such party to have performed or observed such covenant or condition, then the party shall bear and pay such penalty or discharged such interest as additional rental under this lease agreement.

C. The foregoing period of grace shall not apply to rent payments or other payments required of Tenant under this lease agreement; the time of such payments being of the essence of this lease agreement.

D. If either party shall be delayed or prevented from the performance of any act required by this lease agreement by reason of acts of God, strikes, lockouts, labor troubles, inability to procure materials, restrictive laws, or other cause, without fault and beyond the reasonable control of the party obligated (financial inability excepted), performance of such act shall be extended for a period equivalent to the period of such delay, provided, however, that nothing in this section shall excuse Tenant from the prompt payment of any rent or other charge required of Tenant except as may be expressly provided elsewhere in this lease agreement.

19. SECTION NINETEEN - LANDLORD'S REMEDIES UPON DEFAULT

Landlord shall have the following remedies if Tenant commits a default. These remedies are not exclusive but are in addition to any remedies now or later allowed by law.

A. Landlord shall have the right either to terminate Tenant's right to possession of the Premises and thereby terminate this lease agreement or to have this lease agreement continue in full force and effect with Tenant at all times having the right to possession of the Premises. Should Landlord elect to terminate Tenant's right to possession of the Premises and terminate this lease agreement, the Landlord shall have the immediate right of entry and may remove all persons and property from the Premises. The property so removed may be stored in a public warehouse or elsewhere at the cost and for the account of Tenant. Upon such termination, Landlord, in addition to any other rights and remedies including rights and remedies under Titles 12 and 33, A.R.S., or any amendment to it, shall be entitled to recover from Tenant the worth at the time of award of the amount by which the unpaid rent for the balance of the term of this lease agreement after the time of award exceeds the amount of such rental loss that the Tenant could have reasonably avoided. The worth at the time of award of the amount referred to in this Section shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of Denver at the time of the award plus five percent (5%). Prior to such award, Landlord may release the Premises for the
purpose of mitigating damages suffered by Landlord because of Tenant's failure to perform Tenant's obligations under this lease agreement.

B. Any proof of Tenant of the amount of rent loss that could have been reasonably avoided shall be made in the following manner: Landlord and Tenant shall each select a licensed real estate broker in the business of renting property of the same type and us as the premises and in the same geographic vicinity. The two real estate brokers shall select a third licensed real estate broker, and the three licensed real estate brokers so selected shall determine the amount of rent loss that could have been reasonably avoided for the balance of the term of this lease agreement after the time of award. The decision of the majority of the licensed real estate brokers shall be final and binding upon the parties to this lease agreement.

C. As used in this lease agreement, the term "time of award" shall mean either the date upon which Tenant pays to Landlord the amount recoverable by Landlord as set forth in this lease agreement or the date of entry of any determination, order, or judgment of any court, or other legally constituted body, or any arbitrators determining the amount recoverable, whichever occurs first.

D. Should Landlord, following any breach or default of this lease agreement by Tenant, elect to keep this lease agreement in full force and effect, for so long as Landlord does not terminate Tenant's right to possession of the Premises (in spite of the fact that Tenant may have abandoned the Premises), then Landlord, in addition to all other rights and remedies that Landlord may have at law or in equity, shall have the right to enforce all of Landlord's rights and remedies under this lease agreement. In spite of any such election to have this lease agreement remain in full force and effect, Landlord may at any time thereafter elect to terminate Tenant's right to possession of the Premises and thereby terminate this lease agreement for any previous breach or default which remains uncured, or for any subsequent breach or default. For the purposes of Landlord's right to continue this lease agreement in effect upon Tenant's breach or default, Landlord's acts to maintain or preserve the Premises, or to relet them, or to seek the appointment of a receiver to protect its interest under this lease agreement shall not constitute a termination of Tenant's right to possession.

E. In the event? Landlord elects, upon breach or default of this lease agreement by Tenant, to keep this lease agreement in full force and effect, Landlord may, as attorney-in-fact of Tenant, from time to time to sublet the Premises or any part of it for such term and at such rent and upon such other terms as Landlord in Landlord's sole discretion may deem advisable. Upon each such subletting, (1) Tenant shall be immediately liable to pay to Landlord, in addition to indebtedness other than rent due under this lease agreement, the cost of such subletting and any reasonably necessary alterations and repairs, incurred by Landlord and the amount by which the rent under this lease agreement for the period of such subletting (to the extent such period does not exceed the term of this lease agreement) exceeds the amount agreed to be paid as rent for the Premises for the period of subletting, or (2) at the option of Landlord, rents received from the subletting shall be applied: first, to payment of indebtedness other than rent due under this lease agreement from Tenant to Landlord; second, to the payment of costs of the subletting and of any reasonably necessary alterations and repairs; third, to payment of rent due and unpaid under this lease agreement; and the residue, if any, shall be held by Landlord and applied in payment of future rents as they become due under this lease agreement. If Tenant has been credited with any rent to be received by
the subletting under option (1) and the rent has not been promptly paid to Landlord by the subtenant, or if
the rent received from the subletting under option (2) during any month is less than that to be paid during
that month by Tenant under this lease agreement, Tenant shall pay any such deficiency to Landlord. The
deficiency shall be calculated and paid monthly. No taking possession of the Premises by Landlord, as
attorney-in-fact for Tenant, shall be construed as an election on its part to terminate this lease agreement
unless a written notice of such intention be given to Tenant. In spite of any such subletting without
termination, Landlord may at any time thereafter elect to terminate this lease agreement for such previous
breach. At Landlord's option and application, a receiver for Tenant shall be appointed to take possession
of the Premises and to exercise Landlord's right to sublet the Premises as attorney-in-fact for Tenant and
to apply any rent collected from the Premises as provided in this lease agreement.

F. Nothing in this section affects the right of Landlord to indemnification for liability arising prior
to the termination of this lease agreement for personal injuries or property damage where this lease
agreement provides for such indemnification.

G. If Tenant shall be in default in the performance of any covenant to be performed under this lease
agreement, then, after notice and without waiving or releasing Tenant from the performance of the
covenant, Landlord may, but shall not be obligated to, perform any such covenant, and in exercising any
such right pay necessary and incidental costs and expenses in connection with it. All sums so paid by
Landlord, together with interest on it at the maximum rate of interest per annum allowed by law, shall be
deemed additional rental and shall be payable to Landlord on the next rent-paying day.

H. Rent not paid when due shall bear interest at the maximum rate of interest per annum allowed by
law from the date due until paid.

20. SECTION TWENTY- ATTORNEY FEES ON DEFAULT

If either Landlord or Tenant shall obtain legal counselor bring an action against the other by reason of the
breach of any covenant, warranty, or condition of this lease agreement or otherwise arising out of this
lease agreement, the unsuccessful party shall pay to the prevailing party reasonable attorney fees, which
shall be payable whether or not such action is prosecuted to judgment. The term "prevailing party" shall
include, but not be limited to, a party who obtains legal counsel or brings an action against the other by
reason of the other's breach or default and obtains substantially the relief sought whether by compromise,
settlement, or judgment.

21. SECTION TWENTY-ONE -INSOLVENCY

The occurrence of any of the following events shall constitute a breach of this lease agreement by Tenant
and a default under this agreement: (1) the appointment of a receiver to take possession of all or
substantially all of the assets of Tenant; or (2) a general assignment by Tenant for the benefit of creditors;
or (3) any action taken or suffered by Tenant under any insolvency or bankruptcy act.

22. SECTION TWENTY-TWO-ASSIGNMENT OR SUBLETTING
A. Except for Tenant's affiliates or its future successors, Tenant shall not assign this lease agreement or any interest in it and shall not sublet the Premises or any part of it or any right or privilege appurtenant to this lease agreement or permit any other person (the agents and employees of Tenant excepted) to occupy or use the Premises or any portion of it without first receiving the written consent of Landlord. Landlord agrees not to unreasonably withhold such consent but may in lieu of granting consent terminate this lease agreement. A consent to one assignment, subletting, or occupation, and use by another person shall not be deemed to be a consent to any other or further assignment, subletting, or occupation nor a waiver of the provisions of this Section, except as to the specific instance covered by it. Any such assignment, subletting, or occupation without consent shall be void and shall at the option of Landlord terminate this lease agreement. This lease agreement and any interest in it shall not be assignable as to the interest of Tenant by operation of law without the written consent of Landlord.

B. In the event Tenant contemplates an action under Section Twenty-Six, Paragraph A, Tenant shall give Landlord Fifteen (15) days written notice of Tenants intention to sublease or assign this lease agreement. Such notice shall constitute an offer by Tenant to Landlord to terminate this lease agreement and the future rights and obligations of the parties under this lease agreement. Landlord may accept the offer by giving written notice of acceptance to Tenant within (15) days of Landlord's receipt of Tenant's notice of intention to sublet or assign. Upon such acceptance, this lease agreement shall terminate as of the end of the calendar month in which the notice of acceptance is given to Tenant. Tenant shall then surrender the Premises to Landlord and the provisions of this lease applicable to termination upon expiration of the term shall apply. Such termination shall not relieve either party from liability for any breach or default occurring prior to termination.

C. Tenant shall have the right in the event of a merger, consolidation, reorganization, or recapitalization, whether or not Tenant survives as the surviving corporation, to assign or transfer this lease agreement to such surviving corporation. In the event Tenant contemplates making an assignment or transfer as provided in this Section Twenty-Six, Paragraph C, Tenant shall give fifteen (15) days written notice to Landlord of its intent to make the assignment or transfer and shall furnish to Landlord all pertinent information as to the book value of the proposed assignee. Upon assignment or transfer, as provided in this section, the liability of Tenant shall terminate and Landlord shall look to the assignee for performance under this lease agreement, provided the assignee agrees in writing to be bound by the terms and conditions of this lease agreement as though an original signatory.

D. Any transfer of shares by Tenant by reason of which the present shareholders own less than fifty-one percent (51%) of the outstanding stock of Tenant or a surviving corporation shall constitute an assignment of this lease agreement subject to the provisions limiting assignment.

E. Except as otherwise expressly provided in this lease agreement, Tenant shall remain fully liable on this lease agreement and shall not be released from performing any of the terms, covenants, and conditions of this lease agreement unless Landlord consents.

F. Tenant immediately and irrevocably assigns to Landlord, as security for Tenant’s obligations under this lease agreement, all rent from any subletting of all or a part of the Premises as permitted by this
lease agreement. Landlord, as assignee and as attorney-in-fact for Tenant, or a receiver for Tenant appointed on Landlord's application, may collect such rent and apply it toward Tenant's obligations under this lease, except that, until the occurrence of an act of default by Tenant, Tenant shall have the right to collect such rent.

G. In no event shall Tenant assign this lease agreement or sublet the Premises, or any portion of it, to any then-existing or prospective Tenant of the building.

23. SECTION TWENTY-THREE-TRANSFER BY LANDLORD; RELEASE FROM LIABILITY

In the event Landlord shall sell or transfer the building or any part of it and as a part of such transaction shall assign its interest as Landlord in and to this lease agreement, then from the effective date of such sale, assignment, or transfer Landlord shall have no further liability under this lease agreement to Tenant except as to any matters of liability that have accrued and are unsatisfied as of such date, it being intended that the covenants and obligations contained in this lease agreement on the part of Landlord shall be binding upon Landlord and its successors and assigns only during their respective periods of ownership of the fee or leasehold estate, as the case may be.

24. SECTION TWENTY-FOUR- DAMAGE TO OR DESTRUCTION OF PREMISES

A. In the event of either a partial destruction or total destruction of the Premises from any cause covered by Landlord's standard fire and extended coverage insurance, Landlord may terminate the lease. If the Landlord elects to use the insurance proceeds then the lease shall continue. If the Landlord elects to make the repairs and the repairs can be made within sixty (60) days, then the lease agreement shall remain in full force and effect.

B. If Landlord does not elect to make repairs, it is not obligated to make, or if repairs cannot be made within sixty (60) days, or if repairs cannot be made under law, this lease agreement may be terminated at the option of either party.

25. SECTION TWENTY-FIVE-EMINENT DOMAIN

A. If all or any part of the Premises shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, either party to this lease agreement shall have the right, at its option, to terminate this lease agreement upon notice given within thirty (30) days after the date of such taking or appropriation.

B. If all or any part of the building shall be taken or appropriated by any public or quasi-public authority under any power of eminent domain, Landlord may terminate this lease agreement upon notice given within thirty (30) days after the date of such taking or appropriation.

C. In either of the above-stated events, Landlord shall be entitled to, and Tenant upon demand of Landlord shall assign to Landlord, any rights of Tenant to any and all income, rent, award, or any interest
whatsoever that may be paid or made in connection with such public or quasi-public use or purpose, and Tenant shall have no claim against Landlord or the value of any unexpired term of this lease agreement.

D. If a part of the Premises shall be so taken or appropriated and neither party to this agreement shall elect to terminate the lease agreement, the rent subsequently to be paid shall be equitably reduced.

26. SECTION TWENTY-SIX-SUBORDINATION TO MORTGAGES AND DEEDS OF TRUST

This lease agreement shall be subject and subordinate at all times to all to all ground and underlying lease agreements that may now exist or subsequently be executed affecting the building and/or the land and to the lien of any encumbrance in any amount or amounts whatsoever now or subsequently placed on or against the building and/or land or on or against any ground or underlying lease agreement without the necessity of having further instruments on the part of Tenant to effectuate such subordination. In spite of the foregoing, Tenant covenants and agrees to execute and deliver upon demand such further instruments evidencing such subordination of this lease agreement to such ground or underlying lease agreements and to the lien of any such encumbrance as may be required by landlord. Tenant hereby irrevocably appoints Landlord the attorney-in-fact of Tenant to execute and deliver any such instrument or instruments for or in the name of Tenant in the event of termination of any ground or underlying lease agreement, or in the event of foreclosure or exercise of any power of sale under any encumbrance superior to this lease agreement or to which this lease agreement is subject or subordinate, Tenant shall upon demand attorney to the lessor under such ground or underlying lease agreement or to the purchaser at any foreclosure sale or sale pursuant to the exercise of any power of sale under any encumbrance, in which event this lease agreement shall not terminate and Tenant shall automatically be and become the Tenant of such lessor under such ground or underlying lease agreement or such purchaser, whichever shall make demand for it. This lease between the Landlord and Tenant shall not be subordinated to any other agreement by Tenant.

27. SECTION TWENTY-SEVEN-EFFECT OF EXERCISE OF OR FAILURE TO EXERCISE RIGHTS BY LANDLORD

Neither the exercise of nor failure to exercise any right, option, or privilege under this lease agreement by Landlord shall exclude Landlord from exercising any and all other rights, options, or privileges under this lease agreement, nor shall such exercise or non-exercise relieve Tenant from Tenant's obligation to perform each and every covenant and condition to be performed by Tenant under this lease agreement, or from damages or other remedy for failure to perform or meet the obligations of this lease agreement.

28. SECTION TWENTY-EIGHT- WAIVER

A. The waiver by Landlord of any breach of any term, covenant, or condition contained in this lease agreement shall not be deemed to be a waiver of such term, covenant, or condition, or of any subsequent breach of such term, covenant, or condition, or of any other term, covenant, or condition in this lease.

B. The acceptance of rent under this lease agreement by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, or condition of this lease agreement.
other than Tenant's breach in failing to pay the particular rent so accepted, regardless of Landlord's knowledge of such additional preceding breach at the time of the acceptance of rent.

29. SECTION TWENTY-NINE - NOTICES

All notices to be given to Tenant may be given in writing personally or by depositing the notices in the United States mail, postage prepaid, and addressed: if to Tenant, at Tenant's notice address as set forth in Section One, Paragraph A, Subparagraph (7) or at such other place or places as Tenant may from time to time designate in writing; if to Landlord, at the building office, or at such other place or places as Landlord may from time to time designate in writing.

30. SECTION THIRTY - REPRESENTATIONS

This lease agreement represents the entire agreement of the parties with respect to the parties' rights and duties under it. Tenant acknowledges that neither Landlord nor any agent, or representative of Landlord, or any person purporting to act on Landlord's behalf, has made any representation, warranty, or statement with respect to the amount of taxes that may or will be assessed against the Premises or about the cost of any insurance required to be secured by Tenant under this lease agreement or any other matter relating to this lease agreement that is not-expressly covered in this lease agreement. With respect to such matters, Tenant is relying upon tenant's own independent investigation, and sources of information, and Tenant expressly waives any right Tenant might otherwise have under the law to rescind this lease agreement or to claim damages by reason of the fact that such taxes or assessments or costs of insurance may be in excess of any sum deemed reasonable by Tenant, or in excess of any amount Tenant anticipated paying under the lease.

31. SECTION THIRTY-ONE - NOTICE OF SURRENDER OR TERMINATION

At least thirty (30) days before the last day of the term of this lease, Tenant shall give to Landlord a written notice of intention to surrender the Premises on that date, but nothing contained in this lease agreement shall be construed as an extension of the term or as consent of Landlord to any holding over by Tenant.

32. SECTION THIRTY-TWO - LIGHT AND AIR

Tenant covenants and agrees that no diminution of light, air, or view by any structure that may subsequently be erected (whether or not by Landlord) shall entitle Tenant to any reduction of rent under this lease agreement, result in any liability of Landlord to Tenant, or in any other way affect this lease agreement.

33. SECTION THIRTY-THREE - EXECUTION

Submission of this instrument for examination or signature by Tenant does not constitute a reservation of or option for lease and it is not effective as a lease agreement or otherwise until execution and delivery by both Landlord and Tenant.
34. **SECTION THIRTY-FOUR** - TIME IS OF THE ESSENCE

Time is of the essence of this lease agreement and each and all of its provisions.

35. **SECTION THIRTY-FIVE** - NAME

Tenant shall not use the name of the building for any purpose other than as the address of the business conducted by Tenant in the Premises without the written consent of Landlord.

36. **SECTION THIRTY-SIX** - ENTIRE AGREEMENT; AMENDMENT

This lease agreement contains all the agreements of the parties with respect to the subject matter and cannot be amended or modified except by a written agreement.

37. **SECTION THIRTY-SEVEN** - NEGATION OF PARTNERSHIP

Landlord shall not become or be deemed a partner or a joint venture with Tenant by reason of the provisions of this lease agreement.

38. **SECTION THIRTY-EIGHT** - PROVISIONS ARE COVENANTS AND CONDITIONS

All provisions, whether stated as covenants or conditions, shall be deemed to be both covenants and conditions.

39. **SECTION THIRTY-NINE** - USE OF DEFINITIONS

The definitions contained at the beginning of and in the text of this lease agreement shall be used to interpret this lease agreement.

40. **SECTION FORTY** - SEVERABILITY

The invalidity, illegality, or unenforceability of any provision of this lease agreement shall not render the other provisions invalid, illegal, or unenforceable.

41. **SECTION FORTY-ONE** - CAPTIONS

The headings of the sections of this lease agreement are descriptive and for convenience only and are not a part of this lease agreement, and shall have no effect on the construction or interpretation of this lease.

42. **SECTION FORTY-TWO** - SUCCESSORS

The provisions of this lease agreement shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, administrators, and executors of the parties.

43. **SECTION FORTY-THREE** - APPLICABLE LAW

This lease shall be construed and interpreted in accordance with the laws of the State of Arizona.
44. SECTION FORTY-FOUR- COUNTERPARTS

This lease agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute but one and the same instrument.

In witness whereof, each party to this agreement has caused it to be executed on the date first above written.

HIGHER LEARNING COMMISSION
FINANCIAL RATIO UPDATE

Summary:
The Higher Learning Commission (HLC) uses specific financial ratios to track institutional health as part of an overall strategic financial analysis. The model adopted by the HLC uses the concept of a Composite Financial Index (CFI), which is intended to give a quick snapshot of overall financial health.

Well-managed institutions use their mission to drive success and use financial metrics to determine affordability. The ratios assist in the development of the answers to the following questions and other key questions of strategic financial importance.

- Are resources sufficient and flexible enough to support the mission?
- Are resources managed strategically to advance the mission, such as debt?
- Does asset performance and management support the strategic direction?
- Do operating results indicate the institution is living within available resources?

Data for fiscal year 2014-15 is presented with and without the change in accounting principle related to GASB Statement No. 68 Accounting and Financial Reporting for Pensions. Historical and comparative information are also included.

The CFI measures the overall financial health of the institution based on the sufficiency and flexibility of resources, the management of debt, the performance of assets, and the results of operations. A score of 3.0 is considered the threshold for financial health. NPC’s score is well above the threshold and has been for years.

The financial ratios that make up the CFI include:

- **Primary Reserve Ratio** *(CFI weight = 35%)* – measures financial strength by comparing expendable net assets to total expenses. The ratio represents the percent of a year the institution could meet financial obligations with assets readily available. A ratio of .40 is considered the threshold for financial health. NPC’s score is well above the threshold and has been for years.

- **Net Operating Revenues Ratio (%)** *(CFI weight = 10%)* - measures whether the institutional operations resulted in a surplus or a deficit for the year. The ability of an institution to operate within available resources in basic day-to-day functions. The
threshold for financial health is 4 percent. NPC’s score is well above the threshold and has been for years.

- **Return on Net Assets (%)** (*CFI weight = 20%*) - measures whether the institution’s total assets (restricted and unrestricted) are increasing or decreasing. A ratio that is 3-4% above inflation is considered the threshold for financial health. A higher RONA means that the institution is using its assets and working capital efficiently and effectively. NPC’s ratio has been above the inflation rate.

- **Viability Ratio** (*CFI weight = 35%*) - measures the ability of an institution to meet its entire debt obligation with expendable assets. A ratio of 1.25 is considered the threshold for financial health. NPC has no long term debt or bonds, so this ratio is not applicable.

REQUEST TO APPROVE FUNDING FOR THE IMPROVEMENTS TO BALES AVENUE IN WINSLOW ARIZONA

Recommendation:
Staff recommends the Board approve funding, not to exceed $240,000 which is the budgeted amount, for improvements to Bales Avenue in Winslow Arizona. NPC will partner with the City of Winslow to complete this project, who has also included this project in their fiscal year 2016-17 budget.

Summary:
NPC and the City of Winslow have been in discussions regarding the improvements to Bales Avenue in Winslow Arizona. Bales Avenue is the access street that feeds into the Little Colorado Campus and is in need of removal and replacing. NPC will partner with the City of Winslow to complete this project; both entities have included the project in their budgets for fiscal year 2016-17.

The project will consist of removing the existing asphalt surface, rebuilding the subgrade, addition of new curbs, gutter and sidewalk on the NPC side of the road from Highway 66 to the campus. Installation of new paving from Highway 66 to the north property line of the Little Colorado Campus. An aerial photo of the property is attached which identifies preliminary work to be included in the project; however, complete professional survey and design of the project will need to be finalized before the project commences.

The City of Winslow will be responsible for contracting with a vendor and overseeing the project, with input from NPC.

DIRECTED OR SOLE SOURCE JUSTIFICATION FORM

NPC Procedures:
Northland Pioneer College purchasing procedures permit, under certain conditions, purchases of goods or services from a directed or sole source without soliciting bids from multiple sources.

NPC recognizes that special circumstances may not support the use of competitive bidding. In these situations, directed or sole source purchases may be an acceptable alternative.

Directed or sole source purchases are an exception to the Northland Pioneer College Purchasing Procedure, and must always be in writing. The Vice President for Administrative Services will approve a directed or sole source purchase on a case-by-case basis.

Definitions:
Directed Source: Indicates a product or service must, for specific and justifiable reasons, be purchased from one specified supplier. Directed Source procurement may be used when one of the following conditions exists:

- The requested product is an integral part or accessory to existing equipment.
- The service requested is for existing equipment which can only be completed by the original manufacturer or manufacturer’s designated service provider.
- The requested product or service has unique design, performance, and/or quality specifications that are essential to a particular research protocol or teaching needs and are not available in comparable products.
- The requested service or system requires a supplier with unique skills or experience.

Sole Source: Indicates only one supplier exists capable of providing a particular product or service.

Process:
The Directed or Sole Source Justification Form shall accompany any request for a purchase from a Directed or Sole Source where:

- the purchase exceeds $1,000, and
- the purchase is not covered by an existing contract or price agreement.

Furnish the necessary explanation and documentation as noted on the form. The requestor and the appropriate approver (vice president) must co-sign this document. Forward the form and supporting documentation to the Vice President for Administrative Services for review and approval.

Evaluation:
For directed and sole source purchases, each department is responsible for evaluating alternative sources of supply and documenting the reasons that the purchase will be directed to a particular supplier or service provider when alternative sources are available. Departments also are responsible for verifying that prices paid for directed and sole source purchases are fair and reasonable.

Under no circumstances shall a supplier be advised that a contract will be awarded on a directed or sole source basis before approval by the Vice President for Administrative Services.

The determination as to whether a directed or sole source justification is reasonable is based on one or more of these criteria:

- the requestor has investigated and documented his/her evaluation of potential alternate sources of supply for the requested product and/or service.
- the requestor’s documentation explains how similar products and/or services cannot meet the required specifications.
- the requestor has documented that a good faith effort has been made to identify other sources.

If the purchase meets the criteria for Directed or Sole Source, the Vice President for Administrative Services will authorize the purchase. The Directed or Sole Source Form will be returned to the requestor if the purchase does not meet the criteria or if additional information is needed.

Exclusions:
