Student Services

Northland Pioneer College offers a variety of student-support services designed to assist you in the pursuit of your educational and life goals.

Academic Advising

Academic advisers are available at every campus and center and online to provide valuable guidance on how prospective, current and former students can reach educational and career goals. Advisers can then help you match those goals with program offerings for various career fields or university transfer and develop a degree plan.

Advisers can provide assistance in a variety of areas, including:

• Educational planning, including degree or certificate plans;
• Evaluating results of placement testing;
• Selecting and registering for classes;
• Obtaining forms, including transcript requests and graduation application;
• University transfer assistance;
• Processing petitions and appeals;
• Utilizing alternative learning options;
• Receiving VA benefits;
• Providing information about financial aid, scholarships, and work study opportunities;
• Adult education and GED testing;
• Information about student activities.

Prior to registering for classes, a student should meet with an academic adviser to discuss career and educational goals. Together you’ll develop a Degree Plan, which lists the courses needed to reach those goals. Your adviser will give you a copy of your degree checksheet, based on your applicable catalog (see page 50). This ensures the classes you complete will apply toward your desired degree or certificate.

A Degree Plan is also required for federal financial aid and most scholarship applications.

You Must Declare a Degree/Major

Registration will be blocked for students who have earned 12 or more credit hours and have not declared a degree or major. The "advisement hold" gives students an opportunity to plan classes, ensuring they are on the right path toward a major(s), and allows the adviser to check student academic progress. Only after the student has met with their academic adviser will the hold be removed to register for classes.

Students are strongly encouraged to meet with an adviser at the earliest opportunity to avoid registration concerns.

Advisers Contact Information/Phone Numbers

Adviser’s schedules vary by location to accommodate meeting with students during day and evening hours. For a list of adviser’s phone numbers, visit www.npc.edu/advising, or refer to page 9.

Admissions

All new students must submit an NPC Application Form. If you have previously attended the college, but never completed an NPC Application Form, you are asked to do so to verify your student information. NPC has an open admissions policy (see page 12). High-school-age students, 14 and above, may enroll in NPC classes. Contact the Records and Registration Office or an academic adviser for details.

Falsification of any admission material or official college records may be cause for denial or cancellation of admission.

The Records and Registration Office is responsible for the following areas:

• Admissions (forms and admission letters)
• New Mexico waivers
• Veterans Certification
• Student records, including transcripts and grades
• Graduation certification

Alternative Education Services

Northland Pioneer College seeks to expand the access of its students to a broad array of educational opportunities via the following specialized programs and services.

Alternative Learning

Students may receive credit through a variety of means other than in-district course completion or transfer of credits from a regionally accredited institution. Those other means include the following, as permitted by the NPC District Governing Board:

• Credit by Evaluation
• National Standardized Examinations
• Departmental Credit by Examination
• Departmental Credit by Evaluation
• Transfer Courses (Nonaccredited Institution)
• Articulated Equivalent Course(s)

Once awarded, the institution to which a student transfers may handle acceptance of such credits upon transfer.
different. The following describes details on obtaining credit by these other means, through NPC’s Alternative Learning Program:

1. Evaluation Of Prior Learning/Assessed Credits
   To receive credit for prior learning, the student must provide evidence of the quantity and quality of the learning that has been achieved. The nature of this documentation varies depending on the topic or skill, but generally includes certificates of completion for noncollege courses in the private, government or military sectors. Additionally, the student must provide documentation of course content and classroom hours.
   Students interested in the evaluation of their prior learning should first meet with an NPC academic adviser. This is necessary to receive a general overview of the options and processes that may need to be followed for any individual student’s situation. Students pay half base tuition rate for credits accepted for approved assessed credit evaluation. Assessed credits need to be paid for/applied for within the academic year they are requested to be evaluated by NPC.

2. College Level Examination (CLEP) and Advanced Placement (AP) Testing
   Program Credit
   Credits awarded through CLEP/AP may be used at NPC to count toward the student’s degree program including general education, major, and elective requirements. The student does not have to take additional courses to replace the credits for which s/he qualified by CLEP/AP examination in order to accumulate 64 hours for graduation.
   NPC establishes acceptable test scores for the awarding of credits based on recommendations from American Council on Education (A.C.E.) and/or the state articulation agency for each discipline. Please see an academic adviser for minimum scores.
   The acceptance of prior learning credits or CLEP/AP examination credits may be handled differently by another institution upon transfer. Students desiring to use such credits at other institutions are advised to check the policies of each institution. Normally a fee is charged for posting credits earned through Alternative Learning.
   The CLEP/AP examination credits are not used in computing the student’s subsequent grade-point average.
   Credits are posted on the student’s transcript. A maximum of 30 semester hours of CLEP/AP credit may be used at NPC toward the associate degree requirements.
   Specific information concerning CLEP/AP subject and general exams, equivalent NPC courses, acceptable scores, and the number of credits that NPC awards for each test is available from the Records and Registration Office or academic advisers.
   Credit will not be awarded twice in the event a student has met a specific NPC graduation requirement through NPC course credit or another institution’s transferable credit and the student is also eligible for the same credit through CLEP/AP test scores.
   Students desiring to use CLEP/AP scores for satisfying requirements at institutions other than NPC are advised to check the CLEP/AP policies of those specific institutions. Each institution reserves the right to set scores for passing, as well as which tests they accept as testing over the equivalents of their courses. It is possible that passing scores may be higher or lower at other institutions. CLEP/AP scores, not necessarily courses, transfer for use between institutions and may be treated differently by the receiving institution.

3. Credit By Examination
   Credit by examination through NPC Departmental Examination will only be available in subjects for which CLEP is not available and for which testing arrangements can be made. Credit by Departmental Examination testing may not be available for all subjects.
   An appropriate fee must be paid for the type of credit by examination selected as stated in the fees schedule, listed on page 20, and at www.npc.edu/2015-16_general_fees.
   Credit will not be awarded both for credit by examination and equivalent courses taken. In the cases where credit is available for the same course from multiple sources, NPC reserves the right to determine which of the credits will be used toward NPC graduation requirements.
   Notification of credit award (or nonaward) by examination will be sent to the student and the Records and Registration Office.

4. Transfer Course Credit
   Transfer credit from nonaccredited postsecondary institutions may also be awarded if NPC is satisfied that such credits represent equivalent or higher level work and other measures of the quality of the work completed are evident. This provision includes private-for-profit postsecondary institutions, postsecondary institutions operated under the auspices of an Indian tribe, and credit recommendations from the American Council on Education for noncollege sponsored training and experiences. Transcripts received from other institutions for students who have not enrolled at NPC will only be kept on file for four (4) academic years, then destroyed if student has not enrolled at NPC. Transfer credits will NOT be applied toward the NPC Grade Point Average.
Alternative Learning Continued

5. Individualized Learning Contracts

The Individualized Learning Contract provides a method of independent study through learning objectives, individualized activities and appropriate methods of evaluation to verify the objectives have been achieved. A student completes a Learning Contract Application in consultation with an academic adviser. If approved by the appropriate division dean/director, the division dean/director will develop the course, and arrange for a NPC faculty member to act as a resource person and evaluator, while the student completes the contract. Credit is awarded for the completion of learning contracts when the instructor has received evidence from the student that learning objectives have been achieved. Students assigned the ‘I’, or “Incomplete,” grade at the end of a semester for a learning contract enrollment must complete the learning contract within the initial grade policy time limit. After that time, any ‘I’ grade will be converted to an ‘F.’

6. Dual Enrollment

Many area high schools offer dual enrollment classes to their students through an agreement with NPC. Dual enrollment classes allow students to earn college credits for certain classes offered at the high school before they graduate from high school. Students can get a head start on college through dual enrollment. Occupational classes are accepted for credit at all state community colleges. Academic courses are accepted for credit by all state community colleges and state universities. For further information about dual enrollment, contact NPC’s High School Programs Office at (800) 266-7845, ext. 6272.

7. VOCATIONAL HIGH SCHOOL DISTRICT

NPC partners with several area vocational high school districts, including Northern Arizona Vocational Institute of Technology (NAVIT) and Northeast Arizona Technological Institute of Vocational Education (NATIVE) to provide career-training courses. Students earn both high school and community college credits. Contact an NPC academic adviser or area high school counselor for enrollment requirements.

8. Internship Education

Internship Education is an option that allows the student to integrate college coursework with work experience in business, government and industry. Through the use of formalized “Learning Objectives” established at the beginning of each semester, the intern student earns college credits that may be applied to degree requirements. Some college departments have mandatory internships with regiments specific to the program. The manager of Career and Workforce Business Services helps coordinate the Internship Program. This program is an option for employed adults who wish to gain additional skills for advancement as well as college credits. Internship Education is not a course of study, but rather the laboratory component of various NPC programs.

9. Arizona State Prison Complex

NPC partners with the Department of Corrections to provide vocational and postsecondary education to inmates of the Arizona State Prisons located in Winslow and Apache County. Most programs are open-entry, enabling continuous student enrollment. Vocational courses are offered throughout the calendar year ensuring students the opportunity to complete their educational or training goals.

**College and Career Preparation**

The College and Career Preparation Department allows for the appropriate match between students and the courses that best fit his or her learning needs and goals. Courses are offered at a variety of instructional levels from basic literacy to high school equivalency to prerequisites for college-level classes.

In each course, reading, writing, math, science, social studies and workforce skills are integrated to provide meaningful application. College and Career Preparation provides students with a variety of support services: placement testing, small class size, tutoring and the use of the Student Writing Center. Your first steps to academic success begin here.

To assist you with these steps, an Adult Basic Education Program (ABE) Tuition Scholarship is available to students who are seeking a high school equivalency diploma. The scholarship is designed to provide public access to adult basic education through College and Career Preparation (CCP) courses. ABE scholarships pay for tuition and fees for qualifying courses and are offered to students meeting eligibility criteria on a first-come, first-served basis.

For more information, please contact College and Career Preparation Department, Northland Pioneer College, P.O. Box 610, Holbrook, AZ 86025; (800) 266-7845, ext. 6536.

**Disability Resource and Access Office**

Northland Pioneer College is committed to ensuring that all of its students are provided equal access to a quality education that complies with all federal regulations with regard to nondiscrimination of persons with disabilities. Eligible students with properly documented disabilities will be provided reasonable and appropriate accommodations to instruction and services.

Students seeking accommodations are required to contact the office of Disability Resource and Access (DRA) as early in the registration process as possible. Failure to do so may result in a delay or limitation of services. All accommodations considered will be based upon the documentation provided to the DRA office by the student and will be implemented after consultation with the student on a case-by-case basis. In all cases, it remains the responsibility of the student to provide the DRA office with all necessary and required documentation.

**Disclosure of Required DRA Documentation**

Students seeking accommodations must provide the Disability Resource and Access Office with the following:

1. **Completed DRA Application** which can be found online at [www.npc.edu/DRA_Application](http://www.npc.edu/DRA_Application).

2. **Proof of Disability**
   a. Provide an evaluative report describing functional limitations or medical information certifying a qualifying disability.
   b. Include evidence that the evaluator has the professional credentials and/or specialized training, which qualifies him or her to offer a diagnostic determination.

In accordance with the Americans with Disabilities Act, the accommodations made for the benefit of students with disabilities must, at all times, be reasonable. A “reasonable accommodation” is one which enables access to students with disabilities under the following circumstances:

- The accommodation will not fundamentally alter the program in terms of its educational standards and expectations; and,
- The accommodation will not result in undue instructional, financial or administrative burdens on other students or on the college as a whole.

Disability Resource & Access application forms are available on [www.npc.edu/DRA_Application](http://www.npc.edu/DRA_Application).

The Disability Resource & Access Office serves the entire college district from offices on the White Mountain Campus in Show Low. The telephone number is (800) 266-7845, ext. 6178; Fax: (928) 532-6199.

**Financial Aid Information**

NPC offers a range of federal, institutional and private financial aid for students who need assistance in meeting the costs associated with a college education. Financial aid is provided in the form of scholarships, grants and employment.

NPC’s Financial Aid Procedure Manual serves as the guiding...
The purpose of financial aid is to assist students and their families who have documented need with educational expenses, such as tuition and fees, books and supplies, room and board and transportation when their own resources are inadequate to cover such costs. However, the primary responsibility for financing a college education lies with the student and his or her family.

Students are encouraged to apply **EARLY** for financial aid assistance as it generally takes **four to six weeks** to review and process financial aid requests during peak times. Late applicants are required to make payment arrangements at the time of registration.

### What is a “Priority Deadline”?

A priority deadline is the date by which students need to have submitted their online FAFSA application AND provide any other required documents to the NPC Financial Aid Office. This allows sufficient time to determine your award. Priority deadlines are set for every semester. The submission of a financial aid application does not guarantee the award of financial aid money.

Steps for Applying Continued

**Step 3: Begin filling out your FAFSA:**

The Free Application for Federal Student Aid (FAFSA) or a Renewal FAFSA (for continuing students), must be completed each school year at [https://fafsa.ed.gov/](https://fafsa.ed.gov/). NPC’s school year is Fall 2015, Spring 2016 and Summer session 2016. NPC’s Federal School Code is 011862.

**When will I receive the FAFSA results?**

Results are received in the form of a Student Aid Report (SAR). If you applied online, you should receive this in approximately one week. Keep the SAR for your records and review the information carefully. The Financial Aid office will receive the information electronically at about the same time you receive your SAR.

**Step 4: Check your FAFSA status online:**

You may check your status of a submitted FAFSA, make corrections to your FAFSA if needed, or print a signature page if you did not use your PIN. All unsigned FAFSA applications are held by the Federal Processor for 14 days; after 14 days the Financial Aid Office will be notified. An unsigned FAFSA will delay the student’s financial aid process.

**Assistance with Financial Aid Application**

Assistance in completing the FAFSA form is available from an academic adviser located at each campus/center, or by contacting the Financial Aid Office.

Financial aid forms are available from the Financial Aid Office, at each academic advising office or online at [www.npc.edu/financial-aid-forms](http://www.npc.edu/financial-aid-forms).

**Federal Student Aid Programs**

NPC participates in the following federal financial aid programs as authorized under Title IV of the Higher Education Act of 1965 as amended:

1. **The Federal Pell Grant** is the foundation of all aid consideration. The grant is designed to assist students with documented need who have not earned a bachelor’s degree. If the student is eligible for a Federal Pell Grant and meets the priority deadline, he or she will be considered for other types of financial assistance.

**Limit on Federal Pell Grant Eligibility.** Effective, July 1, 2013, students are now limited to 12 full-time semesters (or 600%) of Federal Pell Grant eligibility during their lifetime. This change affects all students regardless of when or where a student received their first Federal Pell Grant. Students who have received 600% Federal Pell Grant as of 2011-2012 will no longer be eligible to receive a Federal Pell Grant beginning in the Fall 2012 semester and thereafter. You may view your percentage of Federal Pell Grant used by logging into [NSLDS.ed.gov](http://NSLDS.ed.gov). The Department of Education keeps track of your Federal Pell Grant Lifetime Eligibility Used by adding together the percentages of the Federal Pell Grant awards that you received for each award year. Your “Lifetime Eligibility Used” percentage will be displayed in the “Grants.” Additional information is available online at [www.npc.edu/lifetime-pell](http://www.npc.edu/lifetime-pell).

2. **A Federal Supplemental Educational Opportunity Grant (FSEOG)** is an award designed to assist exceptionally needy students with college education costs. FSEOG recipients are generally Pell eligible students who demonstrate exceptional financial need.

3. **The Federal Work Study (FWS) program** offers students with financial need an opportunity to earn money working on a job at the college or at certain off-campus agencies while attending classes. In addition to earning funds for college costs, FWS offers students the opportunity to gain experience and develop references for future employment.

   Please note that NPC does not participate in any Federal student loan programs, including Stafford, PLUS, FFELP, Perkins and Direct loans.

4. **The Arizona Leveraging Educational Assistance Partnership (AzLEAP)** establishes a state and institutional partnership to provide student financial assistance in the form of need-based grants to low-income Arizona resident students who are enrolled at half-time (6-8.9 credit hours) or more credit hours. [Contingent upon Arizona State funding.]

**Student Financial Aid Eligibility**

Requests for financial assistance will be based on the following selection criteria:

1. A student must be degree-seeking in an eligible NPC degree or certificate program. Lists of eligible degree and certificate programs approved by the U.S. Department of Education are available from academic advisers, Financial Aid Office or [MyNPC](http://MyNPC). Applicants must file a degree plan through their academic adviser; the plan must be on file in the Financial Aid Office;

2. Federal methodology calculations and the FAFSA form determine need-based financial aid. Students must have documented financial need as prescribed for federal aid programs;

3. Preference will be given to applicants whose financial aid file is completed by the priority deadline;

4. Students must possess a high school diploma that is accredited by a regional accrediting association as
defined by the United States Office of Education or approved by a state board of education or appropriate state educational agency or certificate of equivalency (GED). Home school students are required to submit their official home school transcript to the Financial Aid Office to determine if requirements are met. Effective with the 2012-2013 award year, students who do not have a high school diploma, or an equivalent such as a GED, and who did not complete secondary school in a homeschool setting are not eligible for Title IV funds. Such students can no longer become eligible by passing an approved “ability-to-benefit” test or by satisfactorily completing at least six credit hours of college work that is applicable to a degree or certificate offered by the student’s postsecondary institution.

5. A student must make Satisfactory Academic Progress (SAP) toward the completion of an NPC degree or certificate;
6. An individual must meet the appropriate citizenship requirements as defined by federal regulations; and
7. Must be registered with Selective Service, if required.

Verification Process
The Financial Aid Office is required to verify that information provided by the student, spouse (and/or parents) on the FAFSA form is complete and accurate, under the Federal Financial Aid Program rules (34 CFR, Part 668). Applicants are required to verify household size, number in college, high school diploma, certificate of equivalency (GED) or home school requirement as well as the following income: tax income, certain types of untaxed income and benefits, such as Social Security benefits, child support, IRA/Keogh deductions, foreign income credit, earned income credit, interest on tax-free bonds. Students are required to provide all requested documentation to the Financial Aid Office to be considered for financial aid assistance. All requests for information should be supplied before the priority deadline to ensure prompt completion and review of the student’s request for assistance. Individuals who neglect to comply with requests for information will not be considered for financial aid until their file is complete. Students should periodically check with the Financial Aid Office or MyNPC to verify completion of their file and to ensure timely processing of financial aid.

NPC Scholarships
NPC offers scholarships to help qualified students with college costs. NPC attempts to assist both the academically talented and students emphasizing a particular program.

Scholarship Search Website
NPC scholarships, local and national including merit and non-need-based scholarships are listed at the NPC website at www.npc.edu/scholarships. Students should review the application process including deadlines and scholarship requirements before applying. Incomplete applications are not accepted.

Other Scholarship Award Criteria
Most NPC private scholarships have specific award amounts stipulated in writing. If not, NPC’s Scholarship Committee will distribute the money in a fair and equitable manner that assists the most students based on limited funds.

Financial Aid Disbursement
The disbursement of financial aid is approximately two weeks before the first day of classes each semester. Check the Academic Calendar (see page 18) for the last date to make changes to your class schedule for financial aid purposes and disbursement dates for fall, spring and summer sessions. Financial aid disbursement will be delayed for late applicants and students who register late. Adding a course after the financial aid disbursement date does not increase your financial aid award. Disbursements are made through Higher One. Students may choose to have the disbursement made to their NPC Money Card (see page 23), direct-deposited to their bank account, or paid to them by check.

Satisfactory Academic Progress
All students, including those who receive federal financial aid, are required to maintain certain standards of academic performance called Satisfactory Academic Progress (SAP). A student must make satisfactory academic progress toward the completion of his or her degree or certificate program.

NPC has both a qualitative and quantitative measure of academic progress:

1. **Qualitative Requirement**: Maintain a minimum Cumulative grade-point average of 2.0 or above;
2. **Quantitative Requirements**: Satisfactorily complete at least 67 percent of the courses in which the student is enrolled, based on the following schedule:

<table>
<thead>
<tr>
<th>Credit Hour Load</th>
<th>67% Minimum Completion</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full-time (F/T) based on 12 or more credits</td>
<td>complete 8 cr.</td>
</tr>
<tr>
<td>3/4-time (T/T) based on 9 to 11.9 credits</td>
<td>complete 6 cr.</td>
</tr>
<tr>
<td>1/2-time (H/T) based on 6 to 8.9 credits</td>
<td>complete 4 cr.</td>
</tr>
</tbody>
</table>

   Students enrolled for 5.9 (P/T) or fewer credits must complete the number of hours funded (i.e., if a student is funded for four credit hours, the student must complete the four credit hours).
Satisfactory Academic Progress Continued

“Satisfactory Completion” means earning a passing grade of A, B, C, D or P. Grades of I, W or F are not considered passing grades.

3. Academic Progress toward the degree/certificate program will be measured at the end of each semester.

Maximum Time Frame for Completion of a Degree or Certificate (150% Rule): Students may be funded up to 150 percent of published program length with financial aid assistance.

This includes all attempted NPC credits, as well as all accepted transfer, CLEP and assessed credits. In addition, this includes all semesters with or without financial assistance.

NPC Program (examples) Length of Program 150% Rule = Length of Program x 150%
AA, AAEC, AAEE 64 credits ... maximum of 96 credits
*AA Nursing 72 credits ... maximum of 108 credits
*Student must be enrolled and accepted into the NPC Nursing Program.

Transfer students applying for financial aid must submit official transcripts of all previous college work to the Records and Registration Office. Students must include and complete the Request for Evaluation of Transfer Credits form. This form may be obtained from an academic adviser, or the Records and Registration Office. Evaluated credits will assist advisement prior to enrolling in classes at NPC. Transferred credit hours will be counted as both attempted and completed hours.

4. A full-time (12 or more credit hours) enrolled student may repeat a previously passed course one time only (letter grade higher than an “F”). Student enrolled less than full-time (T/T, H/T or P/T) may repeat a class four times (if a passing grade is not received) and receive financial aid funding provided all academic progress requirements are met. Also, students may receive funding for a maximum of six repeatable special projects or special classes.

5. Eligibility for federal financial aid is limited for students required to take “pre-college” remedial work at NPC. Students are limited to the equivalent of one year, or 30 credit hours of approved CCP courses. Ineligible CCP (formerly BSK and TLC) courses will not be funded and will be counted toward the 30-credit-hour limit.

The following CCP courses are NOT eligible for funding:

Failure to Meet Satisfactory Academic Progress Requirements

If a student fails to meet Satisfactory Academic Progress requirements:
1. First time, student is placed on Financial Aid Warning.
2. Second time, the student is placed on Financial Aid Probation.
   - Appeal is required.
   - Student must submit a petition for re-instatement.
3. Third time, student is placed on Financial Aid Suspension. No further appeal is available.

Financial Aid Warning

Recipients of Student Financial Aid Assistance will receive a Warning letter after any semester in which their cumulative grade-point average falls below 2.0 or they fail to satisfactorily complete 67 percent of the credit hours in which they are enrolled. The Warning letter serves as a caution to the student that he or she did not maintain satisfactory academic progress during the last semester of attendance at NPC. Students are eligible to continue to receive financial aid assistance while on warning status if all other eligibility requirements are met.

Students will be removed from the warning status after completing the following semester in good academic standing as defined by NPC’s Satisfactory Academic Progress procedure.

Financial Aid Probation

Recipients of financial aid assistance will be suspended from aid if they fail to meet the 2.0 minimum cumulative grade-point average, or satisfactorily complete 67 percent of their enrollment for two semesters of academic work. A student who has been suspended from financial aid assistance may continue to enroll in classes at NPC without receiving financial aid assistance.
Student Services

Appeal is Required if Placed on Financial Aid Probation

Students who are placed on Probation status are required to appeal their eligibility status to the Financial Aid Office and further to the Satisfactory Academic Progress Committee by filing a Petition for Reinstatement. A student may submit a Petition for Reinstatement form for each appeal and should be based on extenuating circumstances as documented by the student. The student must complete the Petition for Reinstatement form, submit in writing the reason(s) the student did not meet Satisfactory Academic Progress including how the condition or situation has been resolved thus allowing the student the ability to meet Satisfactory Academic Progress. Students must submit a full degree audit and supporting documentation with their request. Petition for Reinstatement forms are available at the NPC website or by contacting NPC’s Financial Aid Office or from an academic adviser. The outcome for a petition for reinstatement may include approval, warning status, restricted status or suspension status. There are no further appeals for students who have met their Federal Pell Grant Lifetime Eligibility Used (LEU).

A student placed on “restricted status” will be placed on an academic plan toward successful completion of degree program. The student will be reviewed at the end of each semester for satisfactory academic progress as well as making progress towards completion of degree program. The student making progress and meeting satisfactory academic progress will be considered an eligible student.

A student may continue to receive financial aid assistance only as the result of a successful appeal.

A student who attends NPC for one semester AND maintains a cumulative 2.0 grade point average AND completes six (6) credit hours at their own expense WITHOUT any third party assistance and meets all Satisfactory Academic Progress requirements could be considered an eligible student.

Financial Aid Suspension

Recipients of Student Financial Assistance placed on “restricted status” who fail to make satisfactory academic progress and placed on Financial Aid Probation after granted an appeal(s) will be DENIED for any further financial aid assistance. There are no further appeals if recipients are placed on suspension status.

Impact of Schedule Changes on Financial Aid

Students who alter their enrollment (drop/add courses) during the course of a semester are subject to having their eligibility for financial assistance reviewed, may require recalculation and could be required to return some, if not all, of their financial assistance.

A student must consult with their instructor(s) and/or an NPC academic adviser and the Financial Aid Office before making any enrollment changes. Please note that students who receive financial assistance are subject to Satisfactory Academic Progress.

The Financial Aid Office is required to perform enrollment verification before the disbursement of financial aid. Financial aid may be reduced or canceled due to changes in a student’s enrollment status. Adding a course after the financial aid disbursement date does not necessarily increase your financial aid award.

NOTE: Students must start attending classes to establish eligibility for federal financial assistance.

When Dropping and Adding a Course

Students who plan to drop and add a course as even exchange should add a course with equal credits to replace the dropped course to avoid return of “over-awarded funds.” Even exchange only applies during the first two weeks of each semester and the first two days of summer session.

Students adding additional courses after the financial aid disbursement date and during the semester are responsible for payment of tuition, fees and late registration fee.

Withdrawal Before the First Day of Classes

Students who have received their financial aid refund and withdraw from all courses before the first day of classes are responsible for the return of all “over-awarded funds.”

Non-Attendance or No Show

If a student fails to attend some or all of their courses, their eligibility for federal assistance will be recalculated, excluding any non-attended courses. Students who accept federal funds and never attend any class sessions are responsible for the return of all “over-awarded funds” for any courses not attended.

Canceled Course

Students who register for courses canceled by NPC are required to return all “over-awarded funds.” A student may register for another course with equal credits to replace the canceled course to avoid a return of “over-awarded funds.”

Withdrawing Without “W” on Transcript

Students who withdraw on or before the last day to withdraw without a “W” on their transcript (see “Academic Calendar” page 19 in this catalog or online at www.npc.edu) may register for another course with equal credits to avoid return of “over-awarded funds.”

Noncredit and Audit Courses

The Financial Aid Office will not fund noncredit and audit courses at NPC.
Complete Withdrawal From All Classes

Students who completely unofficially withdraw and/or officially withdraw from NPC will have their federal financial aid recalculated by using the Federal Return of Title IV calculation prescribed by federal law. The Federal Return of Title IV calculation applies only to federal aid and will be returned to the appropriate Federal program(s) in the following order:

1. Federal Pell Grant
2. Federal SEOG

NPC does NOT participate in the following: National SMART Grant, TEACH Grant or Federal Student Loans.

Federal Work-study Program and Arizona Leveraging Educational Assistance Partnership (AZ LEAP) are excluded from calculation.

Federal Return of Title IV calculation consists of the following:

a. Title IV Aid Disbursed.

b. Institutional Charges: tuition, fees, etc.

c. Percentage of Title IV Aid Earned: the withdrawal date is the completed days divided by total days in the semester. Excluding scheduled breaks of five or more days and approved leave of absence.

d. Amount of Title IV Earned by Student: Multiply (a) by (c).

e. Amount of Title IV to be Disbursed or Returned: (a) minus (d).

f. Amount of Unearned Title IV Aid for Institution to Return: (b) multiplied by (1)

1 Equals Percentage of Unearned Title IV Aid: 100 percent minus (c)

g. Initial amount of Unearned Title IV Aid Due from Student: (e) minus (f).

h. Title IV Aid for Student to Return: (f) minus (2)

2 Equals Amount of Title IV Grant protection: (a) multiplied by 50 percent.

If amount for student to return is $50.00 or less, the student is not responsible for repayment.

Students may request a copy of their Federal Return of Title IV calculations from the Financial Aid Office.

The number of days completed is determined by the withdrawal date from one of the following:

Withdrawal date provided by NPC’s faculty:

- Attendance record
- Class record

If unable to provide withdrawal date from the above documentation, then the following:

- Date of student’s last attendance at documented academically-related activity, such as attending class, taking an exam, completing tutorial, taking computer-assisted instruction, or turning in an assignment.

- Date of student’s official notification to the institution.

- If student did not begin the withdrawal process or official notification, the midpoint of the enrollment period for which federal financial aid was disbursed or later date documented by NPC. Student would earn 50 percent of federal financial aid.

- If student did not begin the withdrawal process or official notification due to illness, accident, grievous personal loss, or other such circumstances beyond the student’s control, NPC may determine the appropriate withdrawal date.

Students, who withdraw after completing at least 60 percent of the semester, will be considered to have earned 100 percent of their federal assistance.

It is the student’s responsibility to contact NPC’s Business Office to make payment arrangements and to continue to make satisfactory payments. You may make your payment at your NPC campus/center or payment arrangements can also be made at the NPC website through FACTS e-Cashier Payment Plan. If a student neglects to pay or no satisfactory payments are made after 45 days for the “over-awarded funds,” the student will be reported to the Department of Education, which will prevent the student from receiving federal financial aid from any institution.

Students are required to contact the Financial Aid Office once funds are repaid. The Financial Aid Office will notify the Department of Education to update the student’s status to “Repaid” to continue to receive federal financial aid if all requirements are met.

Student Financial Aid Rights and Responsibilities

1. Students are required to read materials, follow instructions and call the Financial Aid Office regarding their financial aid status. Your status may also be viewed at MyNPC.

2. The Family Educational Rights and Privacy Act of 1974 prohibits the release of financial aid information without the student’s written consent. All information provided will be kept confidential.

3. The financial aid award year for NPC includes fall semester, spring semester and summer session(s).

4. A student must file a new Free Application for Federal Student Aid (FAFSA) each financial aid award year. FAFSA is available January 1 of each year.

5. A student may only receive Title IV Aid from one institution per semester.
6. The Financial Aid Office must receive a valid Student Aid Report (SAR) or Institutional Student Information Record (ISIR) by the student’s last date of attendance for the semester enrolled for financial aid consideration.

7. If a student’s cost of attendance exceeds NPC’s standardized budget, he or she may request a budget review with supporting documentation.

8. Students are required to review the accuracy of information and notify the Financial Aid Office with changes in their financial, academic or personal situation that affects their eligibility. This includes information not reported on the original FAFSA form.

9. If a student is selected for “verification,” he or she must provide all requested documentation, including a Federal Tax Return Transcript and all W-2’s, report all untaxed income and complete a verification worksheet to the Financial Aid Office.

10. Students are required to pursue an approved degree or certificate program in order to be eligible for Title IV Aid. Lists of eligible degree and certificate programs are available from academic advisers, Financial Aid Office or MyNPC.

11. Students who withdraw from courses are responsible for understanding NPC’s Institutional Refund Policy. For additional information, students may contact the NPC Business Office.

12. A student has the right to know the types of aid available at NPC, the method and frequency of disbursement, and the terms and conditions of receiving financial aid.

13. The Payroll Office mails checks to Federal Work-Study (FWS) students on the 15th and last day of each month. Students are encouraged to sign up for direct deposit with the NPC Payroll Office.

14. A student is required to register for and attend all classes for which he or she is awarded aid. Any changes in enrollment or a withdrawal from NPC must be reported to the Financial Aid Office. A student must consult with his or her instructor(s) and an academic adviser before making enrollment changes.

15. Financial aid recipients have the right to know the Federal Return of Title IV Aid procedure at NPC. Aid recipients withdrawing from all classes may be required to return a portion of the funds disbursed to them for the semester enrolled. A copy of the Return of Title IV Funds calculation is available upon request from the Financial Aid Office.

16. Courses added after the student has received his or her financial aid “refund” may not result in an increase to his or her award for the semester.

17. A student must verify all tuition and fees, if entitled to a “refund.” Students should contact the NPC Business Office regarding discrepancies in their billing charges.

18. A student has a right to know the standards of Satisfactory Academic Progress (SAP), the criteria for continued eligibility and the criteria for reestablishing eligibility.

19. A student must maintain SAP standards to be eligible for financial assistance. Students with academic problems are encouraged to seek tutoring assistance from an academic adviser.

20. A payment arrangement through e-Cashier Payment Plan is not intended to allow financial aid applicants to defer all payments until financial aid is approved. Students who have applied for financial aid, but have not been awarded financial aid, must make the scheduled payments. The student’s signature on, or approval of a payment arrangement is an agreement to make payments.

21. NPC does not participate in any Federal Student Loan Programs including Stafford, PLUS, FFELP, Perkins and Direct loans.

22. If a student has received a student loan from another institution, the student is required to keep the lending agency informed of any change in address, change in enrollment status, withdrawal from school or graduation.

23. Financial aid recipient must be in good standing and not in “default of student loans” and not owing an “overpayment of federal financial aid” to any college/university. Student may call (800) 433-3243 or log on to http://studentaid.ed.gov/repay-loans.

24. A student may submit a Federal Student Loan Deferment form to the Records and Registration Office for processing while enrolled at NPC.

25. A student may submit a Consortium Agreement form from their parent school to the Financial Aid Office. A Consortium Agreement will not be completed unless the student is enrolled at NPC. Student must pay or make payment arrangements for tuition, fees and book charges at the time of registration. A Consortium Agreement does NOT defer payments and is not considered a third-party payment.

GED Testing

College and Career Preparation (CCP) offers individuals who want to obtain their GED at Northland Pioneer College an orientation designed to improve their chances of successfully completing the GED exam. The “Opportunities Through Education (OTE)” orientation is approximately eight hours long. Grants may be available for GED preparation courses. The OTE is mandatory to receive continued financial assistance and is required for Adult Basic Education students.

GED candidates and all new adult education students will benefit from “Opportunities Through Education,” CCP 055x. Students are introduced to the advantages of education, learn tips for success, set goals, and discover services that can support their learning. Students complete the Test of Adult Basic Education (TABE) and prepare a writing sample. At the end of the orientation, instructors will recommend signing up for the GED test or to take additional GED preparation courses.

The orientation program is supported by a grant from the Arizona Department of Education, Adult Education Services. The program’s purpose is to increase the GED pass rate and to assure that GED candidates are well informed about the GED.

Please contact College and Career Preparation for the current policy regarding the OTE and GED testing.

These orientation sessions will be offered several times a semester at NPC campuses and periodically at NPC centers to meet local demand.

For available session dates and locations, contact College and Career Preparation (CCP) at NPC locations, or check the GED section of the NPC website at www.npc.edu/get-GED.

Open to the general public, the Study Abroad Program offers beginning and advanced Spanish studies at the University of Costa Rica.

Students will earn six credits while attending weekday classes for four weeks. Participants are responsible for obtaining their own passports and the purchase of textbooks.

The SGA Study Abroad Scholarships are designed to recognize students with a desire to travel abroad while taking courses in a foreign language. SGA wants to support and encourage continuing education by providing scholarships to those students who have proven their ability to excel in their studies. Scholarship applicants must be current NPC students, including NAVIT and dual enrollment high school students, enrolled in at least six credits for the spring semester, with a cumulative 2.0 grade point average.

Records and Registration

The Records and Registration Office staff members, (800) 266-7845, ext. 7459, are responsible for final grade rosters. After instructors post grades, students may view their grades on MyNPC, utilizing their student log-in (excluding those on financial hold). Students who need a copy of their grades on campus or at home should contact the Records and Registration Office at (800) 266-7845, ext. 6145.
grades mailed to them must make a special request to the Records and Registration Office.

For a transcript of your coursework at NPC, see Transcripts, page 51.

Any changes to existing grades (see Appeal of Grade, page 54) are initiated by contacting your instructor. The instructor then submits the change through their division dean/director, who then forwards the change to the Records and Registration Office. Once received and updated, the semester transcript shows the change.

Any student who has attended an accredited college may request an official transcript be sent from that college to the NPC Records and Registration Office. Once the evaluation of transfer credit is completed, the accepted transfer credits are posted to the student’s transcript and can be used toward an NPC degree/certificate where applicable.

Students pursuing a certificate or degree need to declare a degree plan with an academic adviser. The declared degree plan is then posted to the student’s file. When the student is ready to graduate, he or she submits an application for graduation. After graduation requirements have been met, diplomas are mailed in mid-June for May graduates or mid-January for December graduates. Note: Diplomas are only ordered twice a year.

**Recruitment Office**

The Recruitment Office has district-wide duties and is responsible for the following areas:

- Requests for information (brochures & give-aways)
- High school activities/career fairs/site visits
- Coordination of on-site visits to NPC (campus/center tours)
- Community presentations
- International student admissions

**Student Email**

All students enrolled since the fall 2009 semester have been issued an NPC email address. NPC uses this address to deliver official notices, such as closures and alerts and important date reminders. Your instructors may require you to use this address.

Log in to MyNPC and go to the MyEmail tab. Follow the links on the left side of the MyEmail page for instructions and FAQs. You must be logged in to see the page and the instructions. It can take as many as two business days for your NPC email account to be established.

Your MyNPC and email username are typically your first initial and last name, plus a sequence number if needed to prevent duplicates. Your NPC email address is your username@mail.npc.edu. You can also forward your NPC email to another email system of your choice.

**How do I get My Username?**

You can obtain your user name from campus or center office personnel or through the Support Center toll-free (800) 266-7845, ext. 7447. You will need to provide your student ID# and answer some questions to confirm your identity. Also your username is on your admissions letter and on your Student Data Sheet given to you at registration.

**Student Health Insurance**

NPC offers, through a major insurance company, a group health plan, which has been especially designed for students attending Arizona community colleges. The policy offers protection for illnesses and accidents at reasonable rates. For further information or an application, visit www.npc.edu/student-services/student-insurance, contact your local academic adviser or the office of the Vice President for Learning and Student Services.

In addition, the college provides accident insurance while a student is attending class. If a student gets hurt and needs to file a claim, he or she should contact the campus operations manager or center manager.

**Student Housing**

Northland Pioneer College offers financial assistance through the Student Housing Scholarship program to students who must relocate to an NPC campus or center community so you can pursue your educational dreams. Scholarship amounts are limited and vary based on availability and student need, to a maximum of $1,000 per semester. If you are relocating, check out resources for housing options at www.npc.edu/student_housing. An adviser can explain Housing Assistance Scholarships eligibility. Apply early through the Financial Aid Office.

**Student Writing Centers**

Note: You must complete a brief orientation to use the resources of the Student Writing Center.

The Student Writing Center (SWC) is staffed by Learning Assistants who provide free help to NPC students completing writing assignments, research projects and resumes. The SWC provides access to computers, word processing programs and printers. The Learning Assistants can help you focus on a topic, organize your points and suggest general improvements.

Anytime there is a change in enrollment, program of study change, change of address or other changes that may affect veteran benefits, it is the student’s responsibility to report the change to the Veterans Certifying Official.

Rules To Remember for VA Students

All students receiving VA educational benefits must file a Degree Intent with the Veterans Certifying Official. Students are required to follow their program of study (degree). Chapter 33 tuition and fees are paid directly to the college. All other Chapter 33 benefits are paid directly to the student. The processing of benefits for first time students can take 8 to 10 weeks. VA students may utilize VA Promissory Notes to charge tuition and fees. The student will clear those charges when they receive their 1st monthly benefit check.

The Department of Veterans Affairs requires that all persons using VA educational benefits make SATISFACTORY ACADEMIC PROGRESS. A student who does not meet the minimum standards (listed below) will be placed on probation for one semester. At the end of the probationary semester, if satisfactory academic progress has not been demonstrated, veteran benefits will be terminated. Benefits may resume if the student raises the cumulative grade point average (GPA) to the required minimum standards.

Academic Progress:
1. Complete all courses attempted.
2. Maintain a semester and cumulative GPA of 2.0.
3. Finish all incomplete grade (I’s) within one semester.
4. If the VA recipient withdraws from their class(es), the student will receive a “W” on their transcript and may have to repay any monies they have received. The VA student must also notify the Veterans Certifying Official within one week of the withdrawal.
5. Maintain regular classroom attendance.
6. Complete courses as required on the student’s degree plan.
7. If the student is dropped from the 45th day attendance FTSE roster, the student will receive a “W” on their transcript and may owe back any monies they received after the last day of attendance (LDA). Students receiving VA benefits may not receive a “W” grade from their instructor, they will receive an “F” grade at the end of the term.

🌟 Merit™ Student Achievements

NPC is recognizing and celebrating student accomplishments through Merit! Merit pages allow NPC to publicize YOUR achievements, such as making the president’s or dean’s list, earning a certificate or degree, participating in a club or event and more! Merit pages assist NPC in sending press releases about a student’s accomplishments to their hometown newspaper, as well as publish these news stories on the web.

How does Merit work?
- Students participate in events and activities at NPC.
- The NPC Marketing Department gets a list of students who participated and writes a short article about the event.
- An article is published to NPC’s Merit webpage (npc.meritpages.com) and the local newspaper of each student is notified.
- Students involved receive an email to their NPC student email account informing them they were awarded a merit badge. To view your award, click on the “view my achievement” link in your student email.
- Students can share their achievements with family and friends on Facebook or Tweet them!
- Students can customize their Merit pages by adding photos, additional activities and work experience.
If an emergency occurs on campus, you want to know about it right away. Northland Pioneer College employs the RAVE Emergency Text Messaging System to send text or voice messages to subscriber’s phones and/or email addresses.

This system will be activated when:

- a severe weather warning is issued for the immediate area surrounding any of the campuses.
- a major chemical spill occurs on or near campus.
- a major criminal event resulting in, or having potential to result in, widespread personal injury occurs on campus.
- a NPC campus will be closed due to a weather-related emergency.
- a Campus Crime Alert is issued.
- occasions are deemed appropriate by college officials.

An "All Clear" text message will be sent when the situation has been resolved.

Any faculty member, staff member, or NPC student can sign up for this service by logging onto “MyNPC” and signing into the RAVE portlet. More than one phone number may be added by the user, to provide NPC emergency notifications to family members or other interested parties.

Check your RAVE information

Make sure your NPC RAVE Notification information is current. To check on the status of your RAVE account, log in to “MyNPC” and then on the bottom right section of the welcome (home) page you will see a box labeled “RAVE User Portlet,” or directly to “https://mynpc.npc.edu/ICS/Welcome_Back.jsp?portlet=Rave_User_Portlet.”

Within the box, you will see a subsection with email, mobile phones and voice only line contacts (home phone). If there is nothing in the box, that means you are not signed up for the NPC RAVE Notification system and you will need to do so if you want to be on the RAVE notification system. If your listed information is wrong, just go to the update tab located at the bottom of the RAVE box and it will enable you to update your information.

It is recommended students enter at least a cell phone number as NPC will use text messages for emergency notifications. If something were to happen on campus while you were there, it wouldn’t be of much help to call your home phone. If you receive email on your cell phone on another account instead of your NPC email account then list that email also.

Weather Emergencies

Closing/Cancellation at a Center/Campus

If weather conditions or other emergencies force the closure of an NPC campus or center, an announcement will be made over radio stations serving the affected area. The notice will also be posted on the college’s website, www.npc.edu, and RAVE, which can send notifications to students and staff via land line, cell phone, email or text message.

The decision to close an NPC facility will be made by the Vice President for Learning and Student Services, based on information from local law enforcement and NPC personnel. Instructors may cancel individual classes with the permission of the department dean. When time permits, students will be notified by phone of individual class cancellations. Students are responsible for making up any missed work.

General Principles

1. Short of a two-county disaster area being declared, the college as a whole rarely closes because of weather. If such a disaster occurs, the decision to close will be made by the College President.

2. In the event of a very severe weather situation, an individual campus or center might be closed for a period of time. If such a situation occurs, a decision to close a center or campus will be made by the Vice President for Learning and Student Services (VPLSS). If the VPLSS is not available, the Vice President of Administrative Services will make the decision.

3. In the event of severe weather conditions, classes may be cancelled for a period of time at a specific center or campus. Any decision to cancel classes at a specific location will be made by the Vice President for Learning and Student Services. If the VPLSS is not available, the Vice President of Administrative Services will make the decision.

4. As a general rule, classes will not be cancelled, so faculty and students need to exercise judgment regarding travel to campuses and centers for classes in severe weather conditions.

5. If a class is missed because of weather conditions, it needs to be made up. If a faculty member is unable to teach a class, he or she must call the appropriate academic dean/director and the campus/center office as soon as possible to let them know. If possible, the campus office will notify students of the faculty member’s class cancellation to forestall an unnecessary trip to the campus/center by the students.

Reporting Emergencies

Designated campus/center managers (listed at each center) handle emergencies, and collect and distribute the following information:

1. Who made the call: name, classification (student, townsperson, faculty, etc.)
2. What is the nature of the call: report of theft, fire, etc.
3. Where did it happen: in the building, if so which one, etc.
4. When did it happen: date and time if known.
5. When was local fire/police or medical personnel advised?
6. When was president or member of president’s staff advised of the situation?

Other pertinent information such as witnesses of the event, etc. and action taken if any. Sign the report.

[NPC Procedure #2510, based on Policy #1310]

Campus/Center Security Information, Policies

In addition to annual crime statistics, links are provided to the college’s security plan, alcohol and drug policy, and procedure for reporting crimes on college facilities.

Written copies of the annual report are available from the office of the Vice President for Learning and Student Services, (800) 266-7845, ext. 6141.
