Job Board lists nearly 200 openings
An opportunity to find employment may be closer than locals think. NPC Career Services utilizes the College Central Job Board (www.collegecentral.com/npc) to help students, alumni and locals find employment.
NPC’s Career Services emphasizes that the job board is not limited to job openings at NPC. The Job Board provides access to over 500,000 job openings on a national level. Users may post résumés, build online portfolios, attend employment podcasts and access information on job hunting and résumé writing.
