Dawn Johnson from SCC is our new data entry person for NRS. ABE scholarship money, \$15,488, was spent this semester leaving a balance of \$2,992 that will be carried over to summer I 2002. Good news from the state our performance indicators are up 75% for FY 01. NPC received two awards "Leadership Role In Statewide Professional Development Efforts For Adult And Family Literacy Educators", and "Its Tireless Commitment To Adult And Family Literacy Education Through Its Participation On The Apache/Navajo Counties Workforce Investment Board" at the last State conference in Phoenix. December 14, 2001 is the last day to take a GED test before the GED 2002 goes into effect. The new GED test has 5 parts to it with a 12 weeks window. Ron Troutman says rules are changing; now anyone testing will have to pre-register and get an assigned seat. Testing will begin at assigned times. Students that are late will not get in. The new test has three versions instead of six. A new GED testing schedule should be available by December 6th.

WIA Report:

Next meeting will be the end of November at Window Rock.

Member Reports:

Angelina James - Adult Basic Education Special Sites Coordinator/Instructor, Hopi Center:

This semester has been very busy and I will be visiting every site before next semester. There will be a fair on November 15th from 10 a.m.-7 p.m. with food sales, information booths and games at the Hopi Culture Veterans Center. Many programs are requiring clients to get their GED, which would mean more students attending classes at all sites. Setting up a new site at Shonto for next semester.

Lori Singer – W.I.A. AZ Affiliation of Indian Centers, Winslow:

No report given.

Gail Sadler – W. I. A. Case Manager, Winslow:

Introduced new employee Wanda Earl who has been on the job for one week.

NPC and 21 Century are co-sponsoring a GED boot camp getting students ready to take the GED test. Have 35 youth and 4 adults enrolled in program. Students should test before or on December 14, 2001.
