ACJ - Roy Hunt

We send three officers a year to Carlota Academy in Phoenix. Cities would send police from out of area to attend rather than wait for next class at Carlota. or other valley academies if NPC academy was year round.

FRS - Holbrook City Manager

Not much turn over.

Power Plant - Personnel Manager.

Currently overstaffing to train local kids for employment. Will have 100% turnover in 5-10 years.

WLD

Certification what you're doing = big pay.

We want to include NPC in apprentice program (NPC take over monitoring process).

CCC

Bob Wilderman

There's a need for training in personnel, law, management, etc. Law, Research & bills, etc.
Personnel Tech. type training at CCC.

Mary - open entry/exit course work in office ed needed.
Computer based training?
