Northland Pioneer College

2008 Academic Performance of High School Graduates (2040 Report)

A.R.S. 15-1822

This document presents the overall academic performance of Arizona high school graduates by high school and community college district. The statistics are based on Arizona freshmen attending the community college in the terms immediately following high school graduation. Certain demographic data on these students are presented along with the academic performance of 2005-2006 high school graduates in what is called the first English or first mathematics courses taken at the community college. A standardized template is used to ensure consistency and clarity of data presentation. This report covers Academic Year 2005-2006 high school graduates attending college in 2006-2007.
