Northland Pioneer College served 1938 under 18 students during the 2008-2009 fiscal year

Admission Policy Summary

Policies provide for compliance with A.R.S. 15-1805.01. The admission policy of students under 18 provides that students may be admitted with a satisfactory SAT or ACT score. Students only enrolling in Career and Technical Education courses are exempt from providing the required SAT or ACT scores. High school students who have not taken the SAT or ACT may enroll in classes with the permission of college officials and are subject to the same course entry requirements for students who seek admission under “regular student” status. Students who are younger than high school age will only be admitted with satisfactory SAT or ACT scores or by special permission of the vice president for learning and student services. NPC may limit the number of semester hours in which students under 18 may enroll.
