Welcome

Congratulations on making the decision to transform your life! By enrolling at Northland Pioneer, you have chosen a college recognized both within the state and nationally as a leader in academic excellence, career preparation, and instructional technology.

Over 45 years ago, the citizens of our beautiful corner of Arizona decided that a college education should be available to everyone. They insisted that the new college called Northland Pioneer should strive to bring education to as many local communities as possible. We continue to pursue that mission today. NPC maintains nine locations in Navajo and Apache counties, and new partnerships with area school districts have added course availability to students in 16 high schools. We are implementing cutting edge video conference technology in campus classrooms, and piloting new course and student support options designed with your needs in mind.

Students arrive at NPC with many different goals and dreams. You have a specific purpose for choosing to invest your time and resources in an NPC education. You may be here to begin a university education, taking advantage of a high-quality, low-cost degree whose courses are guaranteed to transfer to Arizona's state universities. You may be here to prepare yourself for tomorrow's marketplace, in programs ranging from nursing and surgical technology to cybersecurity or welding. You may need to brush up some outdated skills, master a new hobby, or just learn for the love of learning.

No matter what your reason for coming to NPC, we stand ready to help you reach your goal. Take advantage of the support systems we have in place for you. Visit your faculty and talk with them in their office hours. Get to know your academic adviser and identify what services you need – career coaching, accommodations for disabilities, tutoring, or support for veterans, to name just a few.

As president of Northland Pioneer College, I have the privilege of leading the most dedicated, caring, and motivated group of individuals with whom I have ever worked. Our greatest priority is YOU. If you leave NPC with the knowledge and skills you required, with the support you needed, and with the next step in your path firmly in front of you, we will have done our job for you.

We are proud you have selected Northland Pioneer to help you achieve your goals. You have made a commitment to yourself and taken the first step on a journey filled with opportunity. We look forward to being an important part of your education!

With deepest appreciation,

A handwritten signature in black ink, appearing to read 'Mark Vest', written over a light blue horizontal line.

Mark Vest
President, Northland Pioneer College

Who We Are...

The College District

Established in 1972, Navajo County Community College District, or Northland Pioneer College (NPC), is a publicly tax-supported community college located in Navajo County, Arizona. The college's first students enrolled for the fall semester of 1974.

The Navajo County Community College District serves Navajo and Apache counties, an area of 21,158 square miles with a 2017 U.S. Census Bureau permanent population estimate of 180,562. The Navajo, Hopi, White Mountain Apache and Zuni Indian Reservations occupy more than 68.34 percent of the total land in the College service area and account for 57.8 percent of the area's estimated population.

Campuses are located within four of the largest Navajo County communities of Holbrook, Show Low, Snowflake/Taylor and Winslow. Centers are located in Hopi, Kayenta and Whiteriver. Through an intergovernmental agreement with Apache County, NPC has centers in St. Johns and Springerville. Additional educational sites are established as educational needs and opportunities arise.

Accreditation

In order to have the right to award college degrees and certificates, institutions of higher education must be evaluated by a nationally recognized accrediting agency. The Higher Learning Commission (HLC) is charged with evaluating Northland Pioneer College. NPC is proud to report having passed the most recent (2020) evaluation with accreditation reaffirmed through 2030.

The HLC currently has revised its 10-year evaluation schedule to one that continuously monitors excellence of operational and educational standards. This new model ensures NPC students of an up-to-date, nationally recognized and accredited educational experience.

To view the criteria and standards set by the Higher Learning Commission, contact them at 230 South LaSalle St., Suite 7-500, Chicago, IL 60604, (800) 621-7440 or online at www.hlcommission.org/.

Mission

Northland Pioneer College provides, supports and promotes lifelong learning.

Our Shared Vision

Northland Pioneer College provides a learner-centered environment, responds to community needs through effective and innovative service to our students, and fosters professional growth and collegial collaboration.

College Visitation

The public is always welcome to visit NPC campuses and centers. Visitors are asked to check in at the campus or center office. Visitors will be held to the same standards of conduct as NPC students.

Normally the student lounges, campus/center offices, art galleries, academic advising offices, libraries, parking lots and hallways are open to the public. Classrooms, and faculty offices are reserved for registered students.

While classes are in session, visitors should be considerate of students and not bring small children into classroom, laboratory or library areas.

Soliciting is prohibited on all campuses and centers.

For your safety, please keep out of construction areas. In many instances there will be public open houses when buildings are completed.

Members of the public, age 18 and over, are welcome to use the NPC libraries.* A wide selection of resources are available, including books, eBooks, eAudiobooks, DVDs, newspapers, magazines and more. Computer, internet and wifi access are available to the public for a fee (there is no additional charge for students). (See also page 9).

For assistance, call your nearest NPC Library or Center. Our phone numbers are listed on our website (www.npc.edu/library). You may also use the "Ask a Librarian" link on the library's website, or use your cell phone to "Text a Librarian" at (928) 351-4204.

* Services for community members are limited and may be subject to a fee.

Mascot and Colors

In 1976, Northland Pioneer College students selected the golden eagle as the college's mascot, and gold, sky blue and red as the college colors. The red was later dropped. Royal blue and gold are now used as the college's official colors.

Ernie Eagle (photo on page 5) represents the college at community and college events and on social media websites. Be sure to join over 1,500 of Ernie's friends on Facebook. Ellie Eaglet is the spoked eagle for the Kids College program.

Our Shared Values

NPC upholds the following values:

- A quality learning environment
- Diversity and accessibility
- Integrity and accountability
- Collaboration toward success

Business and Community Services

Community and Corporate Learning

The Community and Corporate Learning Department (CCL) promotes occupational skills and encourages an awareness of social, cultural, intellectual and artistic endeavors – two key missions for Northland Pioneer College. This is accomplished through four targeted areas: corporate education, non-credit classes, Kids College, and excursions.

Within corporate education, NPC can tap its own resources or bring in outside trainers to provide any training that might be needed. By coordinating these efforts, in many cases, the training can be offered at a lower cost. This department provides quality training and workforce development workshops that are customized to meet the needs of business and industry communities NPC's CCL department guarantees satisfaction for training services. If the services NPC provides do not meet your requirements, staff will redo them at no charge.

Training to meet state or federally required certifications is already offered by NPC in our service area, saving businesses the time and financial cost of sending employees to large metro areas. NPC has the educational resources to provide training in a variety of areas, such as computer software implementation, CPR certification, business training, as well as stress or time management skills.

The community services provides non-credit lifelong learning opportunities and support for community and cultural activities to the residents of NPC district communities. Classes and workshops are offered as noncredit opportunities in home crafts and technology, dance, health and wellness, computer applications, cooking specialties, sustainable living strategies and other areas. Classes are added throughout the year to cover a variety of topics and workshops. Local newspaper advertising, Emails, and mailings notify communities of all courses scheduled. You can also view a current list of personal interest classes by visiting www.npc.edu/noncredit-classes.

Suggestions for future course offerings or topics are welcomed. If you are interested in teaching with us, please contact the community and corporate learning specialists.

NPC offers a Kids College to provide young people, ages 6-14, with a fun, secure, structured enrichment programs. These exciting learning opportunities are designed to allow them to explore areas of interest, develop academic skills, develop and make new friends, while introducing them to college programs available at NPC. Classes include a variety of topics including theater arts, STEM, cosmetology, baking, art, and more. This

program runs June 1 – July 31.

Visit

www.npc.edu/kids-college

for registration and course listings.

For adults, 21 and over,

check out our new Learning Adventure Excursions

program, providing a hands-on

continuing education experience. You'll explore, experience and relax as NPC transports you to different locations in Northern Arizona to learn about local art, history, culture and scenic sights. Excursions are offered May through October and have included locations such as Rock Art Ranch, Starry Night at the Petrified Forest, and Petroglyph Park in Holbrook. Seating is limited, so sign up early for these memorable experiences.

Visit www.npc.edu/learning-adventure-excursions for a current schedule and more information.

To request to be on the contact list of course offerings, please contact the community and corporate learning specialists, (800) 266-7845, ext. 6244, or email ccl@npc.edu.

Talon Gallery

The Talon Gallery, located in the Aspen Center on the Show Low - White Mountain Campus exhibits work by students, regional and nationally-recognized artists. When classes are in session, the gallery is open to the public, Monday through Thursday, 7:30 a.m. to 7:30 p.m.; Fridays, 7:30 a.m. to 4 p.m. For information on current or upcoming exhibits visit www.npc.edu/TalonGallery.

NPC's permanent art collection and other exhibits are displayed in the lobby of the Performing Arts Center on the Snowflake/Taylor - Silver Creek Campus, and other campus or center public areas.

Small Business Development Center

The Small Business Development Center (SBDC) was established in 1989 by Northland Pioneer College and the Small Business Administration to help increase the number of successful small businesses in Northeastern Arizona. The SBDC joins 11 Service Centers and 15 satellite and/or meeting sites in Arizona providing access to professional business counselors, analysts and technology specialists all dedicated to help you succeed.

Our partnerships with the Small Business Administration (SBA) and the Association of Small Business Development Centers puts nationwide resources within your reach.

Northland's center serves Navajo and Apache counties. Its programs, resources and services focus on a broad range of business issues. The SBDC small business advisors work with determined clients who want to start, grow or sustain a successful business. The SBDC provides quality educational programs, access to resources and one-on-one counseling to small business owners throughout the region.

The SBDC offers confidential, no cost advising services to small business owners. Counseling is offered in various locations throughout the region, usually in facilities operated by Northland or other participating agencies, or remotely via computer and internet. The no cost counseling is offered in Winslow, Holbrook, Snowflake/Taylor, Show Low, Pinetop/Lakeside, St. Johns, Springerville/Eagar, and on the Navajo, Hopi and Apache reservations.

The SBDC hosts and co-sponsors seminars and noncredit workshops for small businesses, covering topics such as starting a new business, writing a business plan, financing, accounting and bookkeeping, marketing, management and doing business with the government workshops on topics like exporting, clean technology, hubzone, women-owned business, SBA loan programs and veteran's services. The Small Business Development Center's services are normally accessed first through a call to the SBDC main office in Show Low at (800) 266-7845, ext. 6170.

Workshops and seminars are promoted at campuses and other sites with posters and fliers. To attend a session, phone the number listed on the poster, flier or newspaper press release or visit www.npc.edu/sbdc.

The SBDC updates the media regularly with press releases and articles concerning small business topics and events. Referrals from banking institutions, cities, chambers of commerce, economic development organizations, SBA and other clients are often the best sources of new clients for the counseling program. Access these services online by visiting the SBDC website at www.npc.edu/sbdc to either complete a Request for Counseling form or by using email and other communication links.

The Small Business Development Centers are partially funded by the Small Business Administration. The support given by the U.S. SBA through such funding does not constitute an express or implied endorsement of any of the co-sponsor(s) opinions, products or services.

For more information or assistance, call SBDC Director Richard Chanick, (800) 266-7845, ext. 6706 or email richard.chanick@npc.edu.

Public Access to NPC Computers & Internet Services

Non-students wishing to use Northland Pioneer College's computers or wireless internet access may purchase a \$2 single day-pass or a \$47 semester-long pass from the campus/center office. This fee is used to help offset the cost of media services for all community members and students. Please note that this fee is also charged to NPC students, in addition to tuition and specific course fees.

NPC students have priority over the use of any computers.

Users must be 18 years or older and comply with all federal and state laws and with college policies governing conduct and the viewing of images in public areas.

Helpful Telephone Numbers

Dial toll-free (800) 266-7845

Then, at the prompt, enter the last four digits as the extension number.

You can also call direct, using the local number. NPC's Area Code is (928)

Online, find maps and office hours for NPC locations at www.npc.edu/locations; and college closures and other important dates at www.npc.edu/calendar
