AAA Landscape is a 45-year old commercial construction company based in Phoenix and Tucson. It has 550 employees. They are a well-established company with many long-term contracts that include maintenance and enhancements. They have various career pathways. The most common pathway is to start as a laborer. There is a lot of knowledge and certifications that are required for landscape work. Mr. Castaneda discussed tree climbing/arborist position, which is a very specialized and high-paying position.

Mr. Castaneda also shared some application and interviewing tips. If affiliated with NPC, you may contact Mr. Castaneda with any questions or to inform him that you are applying. Be sure to mention Northland Pioneer College in the subject line. You may get his contact information from NPC Career Services or your construction instructor.
