BETWEEN
NAVAJO COUNTY COMMUNITY COLLEGE DISTRICT
AND
JOSEPH CITY UNIFIED SCHOOL DISTRICT**

This Intergovernmental Agreement (“Agreement”) is entered into between Navajo County Community College District (“College”), and Joseph City School District No. 2 (“School District”) (collectively “Parties”). Both Parties are public agencies of the State of Arizona as defined in Arizona Revised Statutes (“A.R.S.”) § 11-951.

BACKGROUND

College and School District are authorized to enter into this Agreement pursuant to A.R.S. § 15-342(13), § 15-701.01(F), and § 15-1444(B)(4).

College has determined that it is desirable to offer college level courses that may be counted toward both high school and college graduation requirements at the high school during the school day.

School District desires that College provide to high school students college level courses that may be counted toward both high school and college graduation requirements.

AGREEMENT

In consideration of the mutual promises contained herein, the Parties agree as follows:

1. PURPOSE

The purpose of this Agreement is to set forth the understanding of the Parties as to their respective responsibilities and rights in providing Concurrent Enrollment Courses via video conferencing, as defined in Section 2 below, to eligible School District students.

2. DEFINITION

Courses offered under this IGA are a hybrid approach of dual and concurrent offerings. These are college courses offered by college faculty through technology to the high school classrooms.

A. This Agreement shall be effective:

- a. After the governing boards of School District and College have approved it;
and

- b. On the date that authorized representatives of both Parties have signed it (“Effective Date”).

4.2 Instructors and Instruction

District, to cover the absence of any College instructor teaching a Concurrent Enrollment Course.

4.3 Policy and Procedure

College will provide School District access to the educational records of students as necessary to carry out the terms of this Agreement, and limit access to such records to employees who have a legitimate interest and a need to know the substance of the particular record, understanding that students enrolled in the Concurrent Enrollment Courses will be enrolled in both School District and College. Pursuant to the Family Educational Rights and Privacy Act of 1974, as amended ("FERPA"), and applicable regulations, School District and College may disclose educational records of students to each other as "officials of another school system" where the student is enrolled.

4.4 Students with Disabilities

After notification from the student of individual needs, College will cooperate with School District to ensure the course complies with Section 504 of the Rehabilitation Act of 1973, as amended, or the Individuals with Disabilities Education Act ("IDEA"), as applicable. College shall work with the student in determining appropriate accommodations or special education services; however, the School District shall be responsible for ensuring that the student receives a free appropriate public education ("FAPE") in conformity with his or her 504 Plan or individualized education program ("IEP"), including special education and related services, as applicable, and shall continue to have the financial and administrative responsibility for providing and implementing all necessary accommodations or services. This Agreement does not relieve School District of any of its legal duties under applicable Federal or State law, including but not limited to School District's obligations relating to child find, evaluation, and placement of students with disabilities.

4.5 Reporting

College will submit a report to the Joint Legislative Budget Committee pursuant to A.R.S. § 15-1821.01(2)(b) when necessary, and School District will provide College with data that is required for inclusion in any such report in a timely fashion, as specified in Section 5.6.

5. OBLIGATIONS OF SCHOOL DISTRICT

- D. Shall ensure participation in a minimum of 3 college courses each semester (fall and spring).
- E. Shall assist the College in identifying and enrolling appropriate high school students in concurrent enrollment courses.

- H. Shall coordinate equipment and technical support needs with College Information Services personnel.
- I. Will adhere to College policy regarding billing and refunding for students who withdraw.
- J. Will hold students accountable to the college's Student Conduct Code as outlined in the current college catalog.
- K. Shall not use the equipment for any purpose other than NPC classes or NPC adult basic education classes, which includes but is not limited to the attachment of any non-related cable or external devices to the Cisco equipment in the classrooms.
- L. Shall submit student registration forms to NPC prior to District students leaving for summer break.
- M. Shall provide College-identified textbooks to participating students. District may make a determination as to textbook cost recovery based on District needs.

School District will work with qualified students to have individual students request appropriate accommodations for disabilities in accordance with the ADA and Section 504 of the Rehabilitation Act of 1973 or the IDEA, as applicable, submit appropriate documentation on students with disabilities to the Disabilities Coordinator at College, and implement accommodations or special education services as required by Federal and State law and as negotiated between the College Disability Resource office and School District. Students shall work with College in determining appropriate accommodations or special education services. School District shall be responsible for ensuring that each qualified student receives a FAPE in conformity with his or her 504 Plan or IEP, including special education and related services, as applicable, and shall continue to have the financial and administrative responsibility for providing and implementing all necessary accommodations or services. This Agreement does not relieve School District of any of its legal duties under applicable Federal or State law, including but not limited to School District's obligations relating to child find, evaluation, and placement of students with disabilities.

5.6 Reporting

School District will provide to College in a timely fashion any data or other information that is required for the submission of any and all reports required by A.R.S. § 15-1821.01.

6. MUTUAL AGREEMENTS

The District agrees to maintain liability insurance in the amount of \$1,000,000.00, naming the College as an additional insured, in order to protect the College from any liability arising from the District providing services under this Agreement. The College
