Admissions recruiter, Clint Auguston, presents information about Western New Mexico University (WNMU). He discusses student life on campus and information about the city location. WNMU is a designated Hispanic-Serving Institution (HSI) with Hispanics representing 50% of the student body. They also have online programs. Popular programs include social work and business.

Transfer students are encouraged to contact the admissions office to ensure their NPC classes will transfer to WNMNU. Students should have unofficial transcripts ready to send during initial inquiries into transfer process.
