# Juried Student Art Show 2021

The purpose of the NPC Student Art Show is to showcase student accomplishments in the visual arts and honor exceptional achievement. All NPC students are encouraged to participate.

The NPC Student Art Show is a juried exhibition. A panel of jurors will review all of the submitted artworks and select the pieces that will appear in the show. Not all submitted works will be exhibited. Acceptance to a show that has been juried is an honor. It is a distinction that can be listed on a resume and is the type of professional recognition that is essential to any student pursuing a career in art. The jury puts much consideration into the selection process. Successful composition, craftsmanship, mastery of medium, and originality are all evaluated. Students should be aware that the jury process is intended to encourage artistic growth.

Any questions about jurying may be addressed to the art faculty:
