Education that these documents and others may be photocopied if done for lawful purposes, such as documenting citizenship for the purpose of determining eligibility.

Students registering for noncredit classes will not be required to submit residency verification. Current high school students will not be required to submit residency verification because it is already a requirement of our high school partners.

For other acceptable documents or the latest information on the U.S. residency verification process at NPC, please visit the NPC Records and Registration Office webpage at www.npc.edu/records-registration and view the Residency tab.

In-State Residency Requirements

Classification of Students for Tuition Purposes

Students that have not established residency in Arizona by residing here for at least one year, will be charged out-of-state resident rates. Students that would like to be considered for in-state tuition, may choose to fill out the Domicile Affidavit. Please be aware that in order to approve or deny a domicile, the Records and Registration Office may require and request additional documentation to prove residency. A student must file a Domicile Affidavit every semester if there is an in-state residency question.

Admission Requirements

New Students

All students must be admitted to Northland Pioneer College to enroll in courses at the college. Admission is made by fully completing all the required information on an NPC Admissions Application. All applicants will be issued an official letter confirming their admission to NPC. The acceptance letter will contain very important information about decisions and deadlines, and the student must comply with these deadlines.

All new students must submit their high school transcript with a graduation date or GED test scores for placement purposes. New students who have transferred from another college need to submit official transcripts from their prior college.

Former and Continuing Students

Students should only be admitted once to Northland Pioneer College. All former and continuing students, however, should fully complete the biographical information on the *Registration Form*. Fully completing this form will ensure that the college has a student's most recent personal and contact information.

Transfer Students

Degree-seeking transfer students should submit official copies of all previous college transcripts to the Records and Registration Office. Evaluated credits will aid advisement prior to enrolling in classes at NPC.

International Students

International students interested in attending Northland Pioneer College should request an International Student Admission Application packet from the Records and Registration Office.

International students must meet college admission standards and certify other requirements before registering. International students should apply for admission to NPC at least 90 days prior to the beginning of the term they wish to attend. For questions concerning student rights and obligations, contact the United States Department of Citizenship and Immigration Services. The Citizenship and Immigration Services website is uscis.gov.

Northland Pioneer College does not serve as legal adviser or representative in lieu of the United States Department of Citizenship and Immigration Services, and cannot be responsible for addressing requests for advice concerning government policy or government policy interpretation. Questions governing visa application and Citizenship and Immigration Services requirements are to be directed to the appropriate governing entity.

Students with Disabilities

Students requiring accommodations may contact the Office of Accessibility and Inclusion Coordinator, Snowflake Campus, Northland Pioneer College, P.O. Box 610, Holbrook, AZ, 86025, or by calling (800) 266-7845, ext. 6246. (See page 29.)

Acceptance

Prior to the registration period, a Letter of Admission can be sent upon completion of an Enrollment and Admission Verification Request Form. Admission may be denied or revoked and registration canceled if it appears that a student's attendance would not be mutually beneficial to the student and NPC.

Incoming Credit Acceptance Policy

Regionally Accredited Institutions

College credits earned at regionally accredited institutions of higher learning are accepted. Credits are not awarded for sectarian courses. Transfer credits are posted to the Northland Pioneer College transcript after an official evaluation is made of each transcript received by the Records and Registration Office. The transfer credits will NOT be applied toward the NPC Grade-Point Average (GPA). Credits and degrees over eight years of age (except when program accreditation agencies limit the life of the course work to less than eight years) are subject to review prior to acceptance toward prerequisites and/or degree requirements in some program areas.

Students must earn credits in residency at NPC to complete any degree or certificate program. For more information, see Degree and Certification Graduation Requirements, page 57.

In most cases, transfer credit will be awarded for each course level 100 or above in which the student received a grade of 'C' or higher.

Other Credit Sources

Students may receive credit through a variety of other means than regionally accredited institution transferred coursework. The institution to which a student transfers may treat acceptance of such credits upon transfer differently. Details on the district policy for granting such credit is given in this catalog under the heading Alternative Education Services, subheading Alternative Learning, page 26.

NPC can also evaluate your prior learning certified through military, industry, business or trade school training programs to assess if this education is applicable toward an NPC degree program.

For more information, contact your academic adviser.

Note: *Additional fees may apply for credit by evaluation.*

Registration Information

Registration Dates

Dates for registration are published in the Academic Calendar, both online (www.npc.edu/academic-calendar) and on page 23 of this catalog. Please note that early registration is encouraged for students and that courses lacking sufficient enrollment may be canceled.

In addition to campus and center registration, returning students may register online at <https://mynpc.npc.edu/ics>. Students cannot register online if class prerequisites have not been met or the student's account has been placed on "hold." Academic advisers are available to assist students in planning their program of study.

All college tuition and fees must be paid by the dates listed at www.npc.edu/tuition-fees/payment-due-dates. A student is not officially registered until all applicable tuition and fees are paid or payment arrangements have been made. A student who has a delinquent account with the college will not be allowed to register until all prior school obligations are met.

Placement

NPC is dedicated to student success. To ensure that students select courses appropriate for their skill level, many students are required to participate in the course placement process. The following conditions define who must take part in the placement process:

- Students enrolling in courses with placement prerequisites who have not previously taken a placement test. Courses that require placement include all mathematics, English, and general education courses, as well as some program-specific courses, such as ATO courses, NAT 101 and EMT 131 or EMT 246.
- Students pursuing an NPC associate degree of any type, a Certificate of Applied Science of any type, or the Arizona General Education Curriculum (AGEC).

There are three avenues for placement into NPC courses:

- Avenue 1 – For high school or charter school students and recent graduates or students with some college.
 - ◊ High school transcript with GPA of 2.6 or above (within 5 years) AND for Math courses refer to adviser for placement.
 - ◊ And/Or college transcript with GPA of 2.0 or above in applicable general education or developmental education courses (within 5 years).
 - ◊ And/Or ACT/SAT scores (within 5 years)
- Avenue 2 – For students with a recent accredited High School Equivalency transcript.
 - ◊ Completed GED® transcript dated after 1/1/14

- Avenue 3 – For students who do not meet above criteria or who are applying to programs that require standardized reading and math competency scores.

◊ Use ACCUPLACER computerized test (within 5 years)

Students may be exempt from the placement process if they meet one of the following criteria:

- Students providing proof of an accredited associates degree or higher, unless the degree includes no college-level mathematics.
- Students providing ACCUPLACER placement scores less than five years old from another institution.
- Students providing official transcripts listing a grade of "C" or better for College Composition I (reading/writing requirement) and/or college-level mathematics (mathematics requirement).
- Students providing ACT or SAT scores that meet NPC placement minimum standards.
- Students taking courses for "Audit" grade only. The Audit grade exemption applies only to courses with a placement prerequisite. Course prerequisites may not be waived by this exemption.

General guidelines for the placement process are as follows:

1. Students should contact the campus or center academic adviser to begin the placement process. NPC uses the ACCUPLACER computer-based placement test as its primary placement tool. If technical difficulties prevent the use of the ACCUPLACER test, students will need to schedule a time to return and complete the ACCUPLACER test;
2. A complete battery of ACCUPLACER assessments typically takes three hours. Depending upon the ACCUPLACER results, some students may need additional placement testing in one or more areas;
3. At the conclusion of the ACCUPLACER test, the academic adviser will meet with the student to discuss the placement results;
4. Students needing placement testing pay a \$20 annual fee. This fee allows up to three tests within the academic year.
5. Placement test scores, whether from NPC or another institution, are effective for a maximum of five years. If more than five years have elapsed since the testing date, the student must re-test before enrolling in a class.

Placement results will be used to make initial placement for students in mathematics and English courses. Depending upon their placement results, some students may need to enroll in College and Career Preparation (CCP) courses to develop the skills needed to succeed in college-level courses.

Placement results are also used to determine eligibility for general education courses. Depending upon their placement results,

Registration Information

Placement Continued

some students wishing to take general education courses may need to co-enroll in a pertinent CCP course.

Certain program-specific courses, such as NAT 101 and EMT 131 or 246, also have required placement minimums. Please contact your academic adviser for more information regarding required placement scores for NPC courses.

Placement testing is available at all campuses and centers during advising office hours. Consult with the campus or center academic adviser to schedule a placement session. Students are strongly encouraged to complete testing prior to the registration period. Early placement testing gives students the opportunity to retest if needed and gives the academic adviser more time to discuss placement results with the student. Placement testing may be done during registration. Testing is typically available during registration hours, though students should plan to start testing no later than two hours prior to the end of the registration day.

College Success Strategies Course

The College Success Strategies Course (CSSC) is a six-week course intended to introduce students to college. Students will learn to access various college resources, guidance and support from faculty, staff and peers to fully develop academic and life skills. Emphasis is placed on increasing student success through personal growth, study skills development and educational planning. The topics studied promote learning, understanding, critical thinking and perseverance in college. First-time NPC students and returning or transfer students with 12 or fewer credits are required to complete the CSSC. Students taking only noncredit and online POS NPC classes are exempt.

The CSSC is designed to address student questions and concerns about NPC registration, services and educational planning. The CSSC is provided at no cost to students.

Courses are scheduled at various times at each campus and center during the fall and spring semester registration periods through the second week of classes. To register for a CSSC, contact your campus/center office or the NPC Records & Registration Office. A complete listing of CSSC locations and times can be found at www.npc.edu/college-success-strategies.

Note: Students who do not complete the CSSC during their first semester at NPC (or returning students with 12 or fewer credit hours) will be blocked from registering for any more classes until they have completed an orientation session.

Your academic adviser can answer questions about CSSC.

Proof of Computer Competency

NPC has implemented a program to improve student learning in internet-based classes. Students enrolled in NPC internet classes* for the first time are required to demonstrate or develop basic skills necessary for online learning. You need to complete the online readiness course (<http://bit.ly/npcreadiness>) by the end of the first week of class. You may be restricted from registering for additional online courses if you do not complete the course. Visit the ICT website (<https://sites.google.com/mail.npc.edu/itcs/eresources/readiness>.) for more information about the procedure and requirements.

*(POS 221 & 222 are exempt: These two classes are considered Open Entry, but must be completed within one (1) year of the date of enrollment. See page 18.)

Load Classification

Full-Time Student

A student enrolled for 12 or more credits per semester is considered full-time. Students planning to graduate with an associate degree in two years must enroll in, at least, 16 credits per semester.

Part-Time Student

A student enrolled for fewer than 12 credits per semester:

- $\frac{3}{4}$ time: 9 to 11.9 credit hour load
- $\frac{1}{2}$ time: 6 to 8.9 credit hour load
- Less than $\frac{1}{2}$ time: 5.9 or fewer credit hour load

Excess Course Load

Students may not carry course loads greater than 18.75 credits during the fall or spring semesters without special permission from an academic adviser. Students wishing to carry excess course loads must have attained at least a "B" average in the previous semester while completing a minimum of 12 credits in that semester. Students wishing to carry 24 or more credits during the fall or spring semesters or more than 12 credits during a summer session must send a written request to the Vice President for Learning and Student Services, who has the sole authority to approve or deny the request.

This restriction does not apply to special contract programs or other concentrated or extended training programs in which the course structure and load requirements are prescribed in advance and worked out for student and client benefit. Admission to these special programs will constitute prior approval.

Registration Information

Short-term Credit, and Noncredit Classes

Various classes are offered on a short-term schedule. Some are targeted to specific student populations.

The Community Learning Department is responsible for offering avocational classes and workshops and short-term workshops, seminars or classes as noncredit opportunities. Dates are published in special booklets, in news releases to the public and on their web page, www.npc.edu/noncredit-classes. Registration can take place online, during regular registration periods or any time prior to the start of the classes. You should register at least three (3) days prior to the start of the class to ensure it is not canceled due to insufficient enrollment.

Contact your local campus or center or Community and Corporate Learning, (800) 266-7845, ext. 6244 for more information about short-term or noncredit courses.

The Corporate Learning Department and the Small Business Development Center offer specialized training for the needs of the business and industry sector. (see page 7)

Open Entry Classes (POS 221 & POS 222)

These two classes – AZ Constitution (POS 221) and U.S. Constitution (POS 222) – are considered Open Entry. The student must complete the class by the end of one (1) year of first enrolling. The student will receive an “I” grade (incomplete) at the end of the first semester enrolled. If not completed by then, the student will receive an “F” grade if they do not fully complete the class. The Arizona Department of Education utilizes these two classes for teacher certification.

Course Changes

If after completing your class registration you want to change to another section (you must officially drop the old section), add another course, or drop a class, you must complete a Course Change Form, available at all campus or center offices, academic advisers or the Records and Registration Office. NPC highly recommends you see an academic adviser to ensure your educational goals are met. A Late Registration fee may be charged.

Adding a Course

Anytime a course you wish to add is full, you will need both the instructor’s and dean’s approval to add the class.

Fall and Spring Semesters: From the first day through the end of the first week of regular classes, students do not need permission to add open courses. Anytime during the second week of classes, the instructor’s signature is needed to add an open course.

To add an open course on or after the third week of classes, signatures are required from both the instructor and the dean.

Eight-Week and Summer Sessions: To add a course on the second day of the session, instructor’s permission is required.

Beginning the second week of the session, both instructor and dean permission is required. A late registration fee may apply.

Short Term Classes (less than 8 weeks): To add a course on the second day, instructor’s permission is required. Beginning the third day, both instructor and dean permission is required. A late registration fee may apply.

Dropping a Course

When dropping a course after the first week of Fall, Spring, Summer or other eight-week sessions, instructor permission and a Last Day of Attendance (LDA) are required. See “Last Day to withdraw without ‘W’ on Transcript” on the “Academic Calendar” on page 23. For refund information, refer to page 21.

Withdrawing from a Course

Before withdrawing from class, you should speak with your instructor. If you feel overwhelmed by class work, don’t wait until you fall too far behind and there are fewer options available. NPC staff members want you to succeed and will work with you to arrange tutoring or other assistance.

To avoid having a “W” (withdrawal) on your transcript, you need to complete the withdrawal process BEFORE the Withdrawal Deadline, usually the second week of the semester, or the first week of an eight-week or summer session, or after the first day of a short-term class (less than eight weeks). It is the STUDENT’S RESPONSIBILITY TO OFFICIALLY WITHDRAW FROM CLASS IF THEY ARE NO LONGER ATTENDING CLASS. Not doing so may result in getting a failing grade for the class. Your Last Date of Attendance (LDA) must be noted on your withdrawal form. An NPC academic adviser can help you.

Updating Contact Information

It is very important for students to maintain current contact information while enrolled at NPC. Your contact information is used by NPC to send important student information, such as registration information, refund checks, billing statements, financial aid information, transcripts, faculty communication, mid-term grading, college closures and emergency communication.

NPC requires students to update their address and telephone number at any local campus or center within ten (10) business days of moving. It is the student’s responsibility to provide NPC with the most up-to-date contact information. If the student fails to keep their contact information current, the college has no responsibility for any issues resulting from lack of communication.

Students can also update their address and telephone number on MyNPC.npc.edu/ics from the Personal Info options. Use the Biographical Info feature to verify and update your postal address and telephone information. Updates submitted are not immediate. Changes will be reviewed through the Records and Registration Office and will appear online within a few days.

3. Registration(s) is to replace a canceled class.
4. Registration if the student is exchanging one previous course registration for another.
5. Registering only for dual enrollment courses.

Petition to Waive Late Registration Fee

Northland Pioneer College's Director of Enrollment Services reserves the right to extend the registration period or waive the late registration fee if circumstances reasonably beyond the student's control caused the student to be unable to finalize their schedule. All waiver requests must be timely and not more than 10 business days after the start of a semester. Documentation to support the student's claim is required.

Procedure

1. The Petition to Waive Late Registration Fee is completed by the student.
2. The form will include (but is not limited to) an explanation for the request and the name of the person requesting the waiver as well as the student's name and identification number.
3. Waivers may be issued when:
 - a. The late registration was the result of an institutional error or;
 - b. A student was actively engaged in Military Service, Firefighting, Law Enforcement, or other similar public service duties during the registration period and such duties precluded registration; or
 - c. An unusual circumstance beyond the control of the student caused the student to be unable to finalize registration before the first day of class. (Additional Documentation should be provided, *i.e.* supporting documentation of the circumstance, etc.)
4. The completed *Petition to Waive Late Registration Fee* form will be turned in at the campus/center front office and sent to the Records and Registration Office.
5. Director of Enrollment Services will review the petition and accompanying documents. A decision will be made to approve or deny the student's petition based upon the facts presented.
6. If approved, the Business Office will waive the late registration fee by crediting the petitioning student's account.
7. The approval form and related documents will be filed in Business Office. A copy will be kept in the Records Office and a copy will be sent to the student.

Estimated Student Costs

The Financial Aid Office develops estimated budgets for students attending NPC. Based on the projected figures, a full-time student (enrolled in 12+ credits per semester) living off-campus would need to budget the following amounts for the regular fall/spring academic year:

Tuition	\$1,948
Fees.....	\$480
Books & Supplies	\$1,400
Off-campus Housing & Meals	\$8,076
Personal/miscellaneous	\$3,490
Transportation.....	\$2,010
Total	\$17,404

Students living with parents, are from out-of-state, or who need other budget information may contact the Financial Aid Office at (800) 266-7845, ext. 7318.

Media Fee

All students enrolling in 3 or more credits are assessed a \$47 per semester Media Fee.

This fee is used to help offset the cost of media services that are available to ALL NPC students such as computers, audio and video equipment, electronic library resources and Internet. Please note this is a general fee and additional fees may apply to specific courses offered at NPC.

*Summer will be charged as one semester even if more than one session is offered.

Instructional Course Fees

Some classes have an additional charge, shown in the course listings as FEES, to cover special supplies, materials or equipment used for instruction. The typical fee is \$10 to \$35. Other courses require special insurance, national exams, materials, private instruction or travel expenses. A full list of all course fees is available online at www.npc.edu/tuition-fees. Students may still be responsible for providing other supplies or tools.

All fees are reviewed annually and set by the Navajo County Community College District Governing Board.

Student Payments

Student payments, third-party payments and/or scholarships will be applied first to amounts owed the college.

Student Responsibilities for Debt

The tuition and fees charged for the course(s) for which a student registers represent a valid educational debt that the student owes to Navajo County Community College District, doing business as Northland Pioneer College (NPC).

The student agrees to pay any amounts remaining unpaid after the application of financial aid, third-party payments, and/or scholarships. Return of financial aid awards and/or scholarships resulting from the student’s withdrawal from one or more courses also represent a valid educational debt the student owes to NPC and agrees to pay.

Non-Payment

A student who fails to pay his or her outstanding obligations to the college may be denied future enrollment until the account is settled in full. Transcripts and grades will not be released until all financial obligations to the college have been met.

Collection Fees

Should action be necessary to collect a delinquent account, the student agrees to pay the collection fees, attorney fees and court costs incurred for collection. The student also understands that information regarding a delinquency may be disclosed to credit bureaus and may affect his or her credit rating.

REGISTRATION FOR FUTURE CLASSES WILL NOT BE ALLOWED UNTIL ALL PRIOR FINANCIAL OBLIGATIONS ARE MET.

Northland Pioneer College may charge a collection fee to any student having a delinquent account. The collection fee will equal NPC’s cost of collection, which is 23 percent of the balance owed and collected in the first year of collection and 28.5 percent of the balance owed and collected in the second year of collection. The fees were effective as of July 1, 2013 and apply to student accounts placed with a collection agent after the Fall 2013 semester.

Students who provide Northland Pioneer College with their cell phone number are agreeing that NPC or its agents may contact them at the current or any future number provided using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

The student’s signature on the Registration Form represents understanding and agreement to all of NPC’s payment and collection fee terms.

Payment Plan

All college tuition and fees must be paid by the dates listed online at www.npc.edu/payment-due-dates. Students may take advantage of the e-Cashier Payment Plan online via the NPC website. A fee or down payment may be required.

Refunds

NPC processes student financial aid and other student refunds on a weekly basis during the semesters.

Financial Aid Refunds

A student’s financial aid refund is paid through BankMobile, using the option selected in the Refund Selection Kit you received when you applied for financial aid at NPC.

Other Refunds

All other student refunds are paid by check through NPC. Refunds to students of amounts paid by check will not be processed until the student’s check has cleared the bank.

Tuition and Fees

College refund policies vary based on the type of course for which a refund is requested. Course refund policies for courses are as follows and online at www.npc.edu/tuition-refund-policy.

Tuition, Fees and Payments

Refunds Continued

Regular Semester Course

Tuition and fees are 100 percent refundable prior to the first day of classes; 50 percent during the first and second weeks of class. No refunds after the end of the second week of the semester.

Eight-Week and Summer Sessions

100 percent prior to the first day of the session; 50 percent through first week of the session. No refund after first week.

Short Term (less than eight weeks)

100 percent prior to the first class; 50 percent through the second class. No refund after second class session.

One- and Two-Day Workshops

100 percent prior to first day of classes; 50 percent first day of two-day workshop of classes. No refunds on or after second day of two-day workshop. No refunds on or after first day of one-day workshop.

Online Teacher Certification Course Refund

To receive a 100 percent refund for an online course, a student must cancel his or her class participation within one week of registration and not have initiated any online course work. A 50 percent refund is provided if a student cancels his or her class participation within two weeks of registration and has not initiated any online course work.

Media Fee Refund

Students enrolled in three or more credits, who have been charged the Media Fee and who subsequently drop credits and fall below a three credit total for a given semester will have the Media Fee refunded, provided they qualify for a tuition refund under the normal college refund process or receive an exception to the refund process from the Vice President for Learning and Student Services.

Course Change Refund

NPC strives to be fair in the processing of Course Change Forms to determine possible tuition and fees refunds. If a student registers in a course he or she no longer wishes to take, or the schedule changes after the student has enrolled in a course, Student Services must determine if a 100 percent or 50 percent tuition and fee refund is warranted to students dropping a class within the first two weeks of the semester.

A 100 percent refund is given only under certain circumstances – such as when the college must change an initial course schedule. Therefore, students should be aware that the amount refunded varies. Refund cases will be reviewed on an individual basis. Students dropping a course from their class schedule after the first two weeks of the semester will be held responsible for full payment of tuition and fees.

Cancellations

A student whose class(es) are canceled by the college will receive a full refund of all tuition and fees for the canceled class(es).

Exception Refunds

Students who wish to request an exception to the regular refund policy may do so in writing by completing an Exception Refund Request Form. Approval must be obtained from the Vice President for Learning and Student Services, or designee, for one of the following reasons:

1. Serious illness or injury of the student, verifiable by a doctor's written statement that the illness prevents the student from attending all classes for the semester. The student must submit documentation prior to the end of the semester for which they are requesting the refund.
2. Death of a student or an immediate family member, if the request is made prior to the end of the semester in which the death occurs. The student or the student's survivor must provide death certificate or newspaper obituary notice and proof of relationship (birth certificate, marriage license).
3. Military service of a student in the Armed Forces or Arizona National Guard who is called to active duty and assigned to a duty station, verified by a copy of the orders, will be allowed to withdraw and receive a 100 percent refund of tuition, provided courses have not been completed.
4. Requests for refund due to an institutional error will be evaluated on a case-by-case basis.

Any refund that may be due to a student will first be applied to any outstanding debts owed to the college. If a student received federal financial aid, grants or scholarships, funds will be returned to the applicable federal financial aid program/grantor(s).

Examples of ineligible requests include: academic issues, financial issues, transportation issues, child care issues, course too easy, course too difficult, time conflict, faculty member conflict, never attending. All decisions made by the college are final.

BankMobile refund options

NPC processes student financial aid refunds through the BankMobile system. Students have the option of receiving these refunds through several options, including a BankMobile VIBE checking account, by direct deposit into their existing bank account or by check. Students who chose to receive their refund via BankMobile VIBE are establishing a bank account through BankMobile, a division of Customers Bank.
