# Recommendation to Approve Purchase of Building Signs

# **Recommendation:**

Staff recommends the purchase of 30 building signs from Summit West Signs for the amount of \$157,202.32 including taxes. The amount included in the FY22 budget is \$150,000. Additional costs of \$7,202.32 will be covered by contingency.

# Summary:

The 2020 updated Master Facilities Plan accepted by the District Governing Board (DGB) includes a recommendation for wayfinding signs to "establish a clear wayfinding and pedestrian/vehicular circulation". The design of the signs was prepared by SPS+.

To meet the competitive procurement requirement the college used the Mohave Education Services Cooperative, Inc., contract # 18Q-SUMM-0221. The signs will be picked up and installed by the Facilities department.

The Marketing and Facilities departments worked collaboratively to identify the locations where signs were needed. In FY21 two signs were purchased for \$11,090.14 to assess the quality of the signs and installation process. The two 6 feet single-sided signs were place at Whiteriver and St Johns. The overall response to the new signs is positive. The college would like to purchase the remaining 30 signs.

- 23 signs 6 feet single sided at Show Low (8), Holbrook (6), Winslow (6), and Snowflake (3)
- 6 signs 8 feet single sided at Show Low (3), Holbrook (1), and Winslow (2)
- 1 sign 8 feet double sided at Show Low (1)
