

**Lisa Murphy, M.Ed., Early Childhood Specialist
Founder and CEO of Ooey Gooley, Inc.**

Lisa Murphy has been in the field of early childhood education for 30 years; she is the oldest of five, grew up in a family child care home and eventually moved from being the neighborhood babysitter while in high school to being a nanny for many families while attending college. She has spent most of her adult/professional life teaching and working with children in various environments including Head Starts, elementary schools, private preschools, family child care homes, Park and Rec centers, group homes and many child care centers.

Lisa is the founder and CEO of **Ooey Gooley, Inc.** where her mission is to assist in the transformation of the industry of early childhood education by offering 1) the best workshops and trainings; 2) the most up to date materials and resources; and 3) insightful conversations and connections through the power of social media. Lisa presents hundreds of ONLINE and LIVE IN-PERSON workshops each year to both domestic and international audiences on various ECE related topics.

Lisa has an M.Ed. (2013) in early childhood education from Champlain College in Vermont. She has authored five books, produced dozens of teacher training DVD's, is a popular keynote speaker at educational conferences and a frequent guest on many early childhood related podcasts. Her standing room only seminars have become nationally known for their information, humor, inspiration and energetic delivery. Frequently asked if she has ever been a stand up comic, Lisa practices what she preaches by blending the learning with the laughing.

Lisa is known for her ability to link hands-on activities to educational standards, her outspoken advocacy, and her commitment to creating child-centered, play-based early childhood environments. Her understanding of the importance of play is obvious in her personal and professional life.

Lisa grew up in California but has lived all over the USA. She currently calls Central Florida home where she lives with her boyfriend Pablo and their fur baby Kane. She misses running through airports to get to gigs more than you might realize! When she's not doing gigs you will find her taking long walks, reading, or cooking up a storm and posting foodie pics on Instagram. She thanks you for including her in your event today!
