Dear Mr. Orr:

The San Francisco/Seattle School Participation Team has completed its review of Northland Pioneer College's (Institution) application to participate in the Title IV, HEA programs.

Based on that review, the San Francisco/Seattle School Participation Team has granted Provisional Certification not to exceed December 31, 2009 to the Institution. The reasons for and the conditions of your Provisional Certification are described in the Provisional Program Participation Agreement (PPA).

No later than September 30, 2009 the Institution must reapply to continue its participation in the Title IV HEA programs. At that time, a determination will be made whether the Institution meets the requirements for full certification.

To complete the recertification process, the Institution must print, review, sign and return two copies of the Program Participation Agreement (PPA) to the following address:

United States Department of Education Federal Student Aid, Schools Channel Attention: San Francisco/Seattle School Participation Team 50 Beale Street Suite 9800 San Francisco, CA 94105-1863

After the signed copies of the PPA are received from you, the San Francisco/Seattle School Participation Team will generate an Eligibility and Certification Approval Report (ECAR). The ECAR will summarize the critical elements of the Institution's approved application.

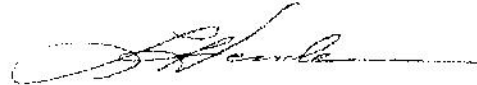

The ECAR will also identify the Institution's highest level of offering, any nondegree or short term training programs and any additional locations which are Title IV, HEA eligible.

Upon execution of the PPA by the Secretary, the Institution shall be certified to participate in Title IV, HEA programs until December 31, 2009. The San Francisco/Seattle School Participation Team will notify the respective Federal Student Aid (FSA) program offices of the Institution's eligibility to receive Title IV funds. The Institution has thirty days from the date of this letter to sign and return two copies of the PPA. The Institution's failure to respond within the allotted time frame will constitute a withdrawal of the Institution's application from consideration.

When reviewing the Program Participation Agreement (PPA), please note the certification being provided to the school is "Provisional" as a result of late A-133 audit submissions. As indicated in the language under the "provisional" portion of the PPA, it is required that future audit submissions are made timely.

Should you have any questions, please contact the San Francisco/Seattle School Participation Team at (206) 615-2594.

Sincerely,

Linda Henderson

Dear Mr. Orr:

The San Francisco/Seattle School Participation Team is pleased to inform you that, based upon the information included in your Application for Approval to Participate in Federal Student Financial Aid Programs, the Secretary of Education (Secretary) has determined that Northland Pioneer College (Institution) satisfies the definition of an eligible institution under the Higher Education Act of 1965, as amended (HEA). Northland Pioneer College will be listed in the next edition of the Directory of Postsecondary Institutions published by the U.S. Department of Education (Department).

OPE ID NUMBER

The OPE ID Number 01186200 is a unique identifier for the Institution. The OPE ID Number will also be the Institution's identification number for the Title IV, HEA programs. Please use the OPE ID Number in all communications with the Department.

ELIGIBILITY AND CERTIFICATION APPROVAL REPORT

Please print a copy of the **Eligibility and Certification Approval Report (ECAR)** Together, the **Program Participation Agreement (PPA)** that has been signed on behalf of the Secretary and the ECAR constitute the San Francisco/Seattle School Participation Team's determination that the Institution has qualified to participate in programs under the Higher Education Act of 1965, as amended (HEA) and the Federal student financial assistance programs (Title IV, HEA programs).

The Institution must retain the ECAR and the PPA together.

The ECAR contains the most critical of the data elements that form the basis of the Institution's approval, and also a list of the highest level of offering, any nondegree or short term training programs, and any additional locations that provide 50 percent or more of an educational program that have been approved for the Title IV, HEA programs. The Institution may not award, distribute or disburse any Title IV, HEA program funds for any educational or training program that is beyond the scope of the approval contained in the ECAR, nor for any additional location providing 50 percent or more of an educational program that has not been approved and is not listed on the ECAR.

- In order to comply with the requirements of 34 CFR 668.8(1), some vocational or nondegree programs may have been approved for fewer credit hours than requested in the Institution's application.
- Vocational and nondegree programs that do not meet the requirements of 34 CFR Parts 600 and 668 have not been approved and are marked in the ECAR as not approved.
- The listing of Vocational Programs in the ECAR contains those nondegree programs that the San Francisco/Seattle School Participation Team has determined are eligible programs for participation in the Title IV, HEA programs.
- The ECAR contains a list of HEA programs other than Title IV, HEA programs, for which the Institution is eligible to apply. This list does not mean that the Institution will automatically be eligible to participate in or receive funds under any HEA competitive grant program. Information concerning applications for, and the individual requirements of, the competitive grant program can be obtained from:

PROGRAM PARTICIPATION AGREEMENT

The PPA contains the agreement between the Institution and the Secretary concerning the Institution's participation in the Federal student financial assistance programs (Title IV, HEA programs).

CERTIFICATION FOR TITLE IV, HEA PROGRAMS

As explained in the PPA, Title IV, HEA programs administered by participating educational institutions are subject to applicable laws, regulations, and guidelines. Listed below are the appropriate telephone numbers for further information on the HEA programs:

- Federal Pell Grant Program (800) 474-7268
- Federal Family Education Loan Program (202) 377-4008
- Federal Direct Student Loan Program (800) 848-0978

If the Institution wishes to begin participating in the Direct Loan Program or to request a change in its funding method, contact COD School Relations at the Federal Direct Student Loan Program number above or send an email to codsupport@acs-inc.com

- Federal Campus-Based Programs (877) 801-7168
The Federal Campus-Based Programs are (a) the Federal Supplemental Educational Opportunity Grant Program, (b) the Federal Work-Study Program, and (c) the Federal Perkins Loan Program. To obtain funding under any or all of these programs, the Institution must file the Fiscal Operations Report and Application to Participate (FISAP) annually. FISAP packages are typically available at the end of July each year and the due date for electronic submission of this data is generally a postmark or transmission date of October 1. Please keep in mind that the October 1 submission is to obtain funding for the Award Year that begins the following July 1.

If the Institution does not already participate in the Title IV, HEA programs, the Institution must complete Fundamentals of Title IV Administration (Precertification) Training no later than 12 months after the Institution executed the PPA. Completion of this training must be not earlier than one year before beginning to participate in any Title IV, HEA program for which the Institution has not previously participated. If you wish to register for Fundamentals of Title IV Administration (Precertification) Training, please register at www.ed.gov/offices/OSFAP/sfau. For information concerning the training, contact the San Francisco/Seattle Team at the telephone number listed later in this letter.

Participating educational institutions will be reviewed at least once every six years to determine whether the institutions remain administratively capable and financially responsible to administer Title IV programs and funds.

REPORTING AND REAPPLICATION REQUIREMENTS

The Institution must report promptly to the Department certain changes and actions that affect the Institution's participation approval, as specified in 34 CFR 600 and 668, including, but not limited to:

- Change of name and/or address;
- New contract or significant modification of existing contract with a third party servicer;
- Change in exercise of a person's substantial control over the Institution, e.g., a change in the chief executive officer or members of the board of trustees or board of directors.
- Change in the way the Institution measures educational program length;
- Change in the level of course offerings;
- Additions and/or closures of non-main campus locations that offer at least 50% of an educational program;
- Change of accrediting agency;
- Change of the State agency that confers legal authority on the Institution to offer programs of postsecondary education; or
- Change in ownership *whether or not* that ownership change results in a change in control of the Institution.

If the Institution fails to report any such changes within ten days after the change occurs, the ability of the Institution to administer the Title IV student financial assistance programs properly will be called into question. As a consequence, we will consider whether it is necessary to monitor the Institution's receipt of Federal funds more closely. Failure to report changes within the time frame required may also result in an adverse action being taken

against the Institution in accordance with 34 CFR 668. Subpart G.

Automatic Termination of Approval

This Approval for Institutional Participation automatically terminates on the happening of any of the following events:

- December 31, 2009
- The date the Institution loses the legal authority to offer programs of postsecondary education in the State in which it is located;
- The date the Institution loses accreditation from its designated primary accrediting agency;
- The date the Institution ceases to offer all approved postsecondary instruction;
- The date the Institution merges with another institution;
- The date the Institution undergoes a change in ownership resulting in a change of control;
- The date the Institution files for bankruptcy; or
- The date the Institution otherwise ceases to meet the definition of an eligible institution of higher education.

Please send all information or documentation required by this letter to:

United States Department of Education Federal Student Aid, Schools Channel Attention: San Francisco/Seattle School Participation Team 50 Beale Street Suite 9800 San Francisco, CA 94105-1863

One of the institutional eligibility requirements is that the institution must admit as regular students only persons who have a high school diploma; have the recognized equivalent of a high school diploma; or are beyond the age of compulsory school attendance in the State in which the institution is physically located (see 34 CFR 600.4, 5 or 6). This means if the student is not yet beyond the age of compulsory school attendance in the State in which the institution is physically located, the institution can only enroll the individual as a regular student if he or she has a high school diploma or its equivalent.

One of the student eligibility requirements is that an eligible student is one who is not enrolled in either an elementary or secondary school (see 34 CFR 668.32). This means that an institution cannot accept as a regular student at this school, an individual who is also enrolled at the same time in elementary or high school.

Notes: 1) We have marked some of the school-reported, non-degree vocational programs as ineligible for Title IV after discussing these with the school's Financial Aid Officer; please be sure to check the vocational programs listed in the ECAR to assure which non-degree vocational programs may be considered eligible for Title IV. 2) At the school's request, we have designated the school as NOT ELIGIBLE to participate in the FFELP, Federal Direct and Federal Perkins Loan Programs. 3) The school's recertification to participate in the Title IV programs is designated as Provisional due to repeated instances of late submission of A-133 audits; please be aware, as indicated in the Provisional

section of the Program Participation Agreement, that the school is required to assure that future audit submissions are timely.

The telephone number for the San Francisco/Seattle Team is (206) 615-2594. The fax number is (206) 615-2508.

The postsecondary educational institution listed above, referred to hereafter as the "Institution," and the United States Secretary of Education, referred to hereafter as the "Secretary," agree that the Institution may participate in those student financial assistance programs authorized by Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs) indicated under this Agreement and further agrees that such participation is subject to the terms and conditions set forth in this Agreement. As used in this Agreement, the term "Department" refers to the U.S. Department of Education.

SCOPE OF COVERAGE

This Agreement applies to all locations of the Institution as stated on the most current ELIGIBILITY AND CERTIFICATION APPROVAL REPORT issued by the Department. This Agreement covers the Institution's eligibility to participate in each of the following listed Title IV, HEA programs, and incorporates by reference the regulations cited.

- **FEDERAL PELL GRANT PROGRAM**, *20 U.S.C. 1070a et seq; 34 CFR Part 690.*

PROVISIONAL CERTIFICATION

This provisional certification is granted for a limited period to permit the Institution to participate in the Title IV, HEA programs referenced in this Agreement. During the period of provisional certification, the participation of the Institution will be subject to revocation for cause. Cause for revocation includes, without limitation, a failure to comply with any provision set forth in this Agreement, a violation of Department regulations deemed material by the Department, or a material misrepresentation in the material submitted to the Department as part of the Institution's application process for this certification. The Department in its sole discretion may provide the Institution with an opportunity to cure any such failure, may place the Institution on reimbursement funding pending a decision regarding revocation of this Agreement by a designated Department official, or may suspend the participation of the Institution pending a decision by the Department regarding revocation of this Agreement. In the event the Department chooses to revoke this Agreement and the Institution's participation in the Title IV, HEA programs, the Institution will have the right to show cause why this Agreement should not be revoked by presenting its objections to the designated Department official in writing. The Institution agrees that this opportunity to show cause, and not the procedures in 34 CFR 668 subpart G, shall be the sole administrative appeal regarding such revocation. The decision by the designated Department official will constitute the final agency action.

Special Requirements for Substantial Changes Made During Term of Provisional Certification

Any institution provisionally certified must apply for and receive approval by the Secretary for expansion or of any substantial change (as hereinafter identified) before it may award, disburse or distribute Title IV, HEA funds based on the substantial change. Substantial changes generally include, but are not limited to: (a) establishment of an additional location; (b) increase in the level of academic offering beyond those listed in the Institution's Eligibility and Certification Approval Report (ECAR); or (c) addition of any nondegree or short-term training program.

If the Institution applies for the Secretary's approval of a substantial change, the Institution must demonstrate that it has the financial and administrative resources necessary to assure the Institution's continued compliance with the standards of financial responsibility (34 CFR 668.15) and administrative capability (34 CFR 668.16).

Reasons and Special Conditions of Provisional Certification

Late Submission of Compliance Audits

The institution has submitted one or more compliance audit(s) of its Title IV, HEA programs after the deadline for submission. The institution has an affirmative duty to meet the standards of conduct required of a fiduciary, as set forth in 34 CFR §668.82. In the capacity of a fiduciary, an institution is subject to the highest standards of care and diligence in administering the Title IV, HEA programs in accounting for the funds received for those programs. The failure of the institution to submit its audit(s) in a timely manner is evidence of a lack of administrative capability under 34 CFR §668.16(a). The institution is accountable for all audit liabilities and fines, if any, and must resolve all audit deficiencies, if any, before the expiration of this provisional certification. Any audit liabilities determined by the Department must be paid by the date specified in the letter establishing the liabilities, and paid in full prior to the expiration of the Program Participation Agreement unless (a) the determinations of the audit are under appeal, or (b) alternative payment arrangements have been made with the Department's Financial Operations Division. Further, the institution is advised that if it fails to submit an acceptable audit by the required date, during the provisional period, its provisional PPA will be recommended for possible administrative action.

Application for Recertification

Upon completion of the period of provisional certification, if the Institution wishes to apply for recertification to participate in the Title IV, HEA programs, the Institution must submit a completed Application for Approval to Participate in Federal Student Financial Aid Programs, together with all required supporting documentation, no later than September 30, 2009.

Grant or Denial of Full Certification

Notwithstanding any paragraph above, the provisional certification ends upon the Department's notification to the Institution of the Department's decision to grant or deny a six year certification to participate in the Title IV, HEA programs.

GENERAL TERMS AND CONDITIONS

1. The Institution understands and agrees that it is subject to and will comply with the program statutes and implementing regulations for institutional eligibility as set forth in 34 CFR Part 600 and for each Title IV, HEA program in which it participates, as well as the general provisions set forth in Part F and Part G of Title IV of the HEA, and the Student Assistance General Provisions regulations set forth in 34 CFR Part 668.

The recitation of any portion of the statute or regulations in this Agreement does not limit the Institution's obligation to comply with other applicable statutes and regulations.

These Standards are intended to ensure the security and confidentiality of customer records and information. The Secretary considers any breach to the security of student records and information as a demonstration of a potential lack of administrative capability as stated in 34 C.F.R. 668.16(c). Institutions are strongly encouraged to inform its students and the Department of any such breaches.
4. The Institution acknowledges that 34 CFR Parts 602 and 667 require accrediting agencies, State regulatory bodies, and the Secretary to share information about institutions. The Institution agrees that the Secretary, any accrediting agency recognized by the Secretary, and any State regulatory body may share or report information to one another about the Institution without limitation.
5. The Institution acknowledges that the HEA prohibits the Secretary from recognizing the accreditation of any institution of higher education unless that institution agrees to submit any dispute involving the final denial, withdrawal, or termination of accreditation to initial arbitration prior to any other legal action.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM

If an institution participates in the William D. Ford Federal Direct Loan (Direct Loan) Program, the institution and its representatives shall comply with the statute, guidelines, and regulations governing the Title IV, Part D, William D. Ford Federal Direct Loan Program as required by Section 454 of Public Law 103-66.

Estimate the need of students as required under Title IV, Part F of the HEA.

Provide a certification statement of eligibility for students to receive loans that will not exceed the annual or aggregate limits, except the Institution may exercise its authority, under exceptional circumstances identified by the Secretary, to refuse to certify a statement that permits a student to receive a loan, or certify a loan amount that is less than the student's determination of need, if the reason for such action is documented and provided in written form to a student.

Establish a schedule for disbursement of loan proceeds to meet the requirements of Section 428G of the HEA.

Provide timely and accurate information to the Secretary concerning 1) the status of borrowers while students are in attendance, any new information pertaining to the status of student borrowers of which the Institution becomes aware after the student leaves the Institution, and 2) the utilization of Federal funds under Part D at such times and in such manner as prescribed by the Secretary.

Provide that students at the Institution and their parents (with respect to such students) will be eligible to participate in the programs under Title IV, Part B of the HEA, Federal Family Education Loan programs, at the discretion of the Secretary for the period during which such Institution participates in the Direct Loan Program, except that a student or parent may not receive loans under both Part B and Part D of the HEA for the same period of enrollment.
4. Provide for the implementation of a quality assurance system, as established by the Secretary and developed in consultation with Institutions of higher education, to ensure that the Institution is complying with program requirements and meeting program objectives.
5. Provide that the Institution will not charge any fees of any kind, regardless of how they are described, to student or parent borrowers for loan application, or origination activities (if applicable), or the provision and processing of any information necessary for a student or parent to receive a loan under Part D of the HEA.
6. Provide that the Institution will originate loans to eligible students and parents in accordance with the requirements of Part D of the HEA and use funds advanced to it solely for that purpose (Option 2 only).
7. Provide that the note or evidence of obligation of the loan shall be the property of the Secretary (Options 2 and 1 only).
8. Implement such other provisions as the Secretary determines are necessary to protect the interest of the United States and to promote the purposes of Part D of the HEA.
9. Accept responsibility and financial liability stemming from its failure to perform its functions under this Program Participation Agreement.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion--Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

NOTE: A completed copy of the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions" form must be retained by the Institution. The original blank certification must be returned with the PPA.
