Business and Community Services

Business and Industry Training

The Business and Industry Training area provides quality training and workforce development workshops that are customized to meet the needs of business and industry communities. NPC's Business and Industry Training department guarantees satisfaction for training services. If the services NPC provides do not meet your requirements, staff will re-do them at no charge.

Business and Industry Training specializes in offering creative training with courses and workshops that incorporate innovation, flexibility, customer service, entrepreneurial spirit and world-class standards.

The mission is to provide business and industry with programs that enhance the individual and provide additional value to companies by increasing employee knowledge, skills and confidence. NPC can tap its own resources or bring in outside trainers to provide any training that might be needed. By coordinating these efforts, in many cases, the training can be offered at a lower cost.

Training to meet state or federally required certifications is already offered by NPC in our service area, saving businesses the time and financial cost of sending employees to large metro areas. NPC has the educational resources to provide training in a variety of areas, such as computer software implementation, CPR certification, business training, as well as stress or time management skills. Special speakers can also be arranged.

By establishing partnerships, strategic alliances and advisory councils with companies, such as Arizona Public Service Cholla Power Plant, Salt River Project Coronado Generating Station, Tucson Electric Power Springerville Generating Station, Catalyst Paper; Summit Healthcare Regional Medical Center, PFFJ Inc., Navopache Electric Co-Op, Apache County, Wal-Mart, Navajo County, local fire departments and others, Business and Industry Training benefits employers, employees, future employees and the community.

For more information on Business & Industry Training, please contact Kristen Williams, at (800) 266-7845, ext. 6232 or email kristen.williams@npc.edu.

Community Education

Community Education serves the residents of NPC district communities by providing lifelong learning opportunities and support for community and cultural activities. Classes and workshops are offered as noncredit opportunities in home crafts and technology, dance, health and wellness, computer applications, cooking specialties, sustainable living strategies, and other areas.

Classes and workshops are included in the semester schedule of classes, with additional classes added throughout the semester. Local newspaper advertising and mailings notify communities of all courses scheduled. Enroll in classes and workshops at least a week before the class starts to ensure it is not cancelled due to insufficient enrollment.

To request to be on the division mailing list of course offerings, please contact Loyelin Aceves, community education program coordinator, (800) 266-7845, ext. 6244, or email loyelin.aceves@npc.edu. You can also view a current list of personal interest classes by visiting www.npc.edu and clicking on the "Noncredit Classes (Learning Adventures)" link. Suggestions for future course offerings or topics are welcomed.

Northland Pioneer College Foundation

The Northland Pioneer College Foundation is an independent 501(c)3 nonprofit organization providing scholarships and other forms of assistance to NPC students and the college. The foundation's mission is to support the success of NPC students and the college, which improves the quality of life in our communities. The foundation promotes post-high school education, quality of life for families and communities in our region, collaboration with those who share our mission, integrity and accountability, service and giving, and personal development for Foundation stakeholders.

Specifically, the foundation provides funds and other support to enable students to complete their education, to assist students developing their skills for the job market, to encourage local students to stay in our communities, to assist student organizations, to provide supplies and other needs for college programs, and to promote sustainability at the college.

Additionally, the foundation is fostering the development of an alumni organization actively serving alumni and encouraging students. For more information about the NPC Foundation, contact Lance Chugg, executive director, at (800) 266-7845, ext. 6245 or email lance.chugg@npc.edu.

Small Business Development Center

The Small Business Development Center (SBDC) was established in 1989 by Northland Pioneer College and the Small Business Administration to help increase the number of successful small businesses in Northeastern Arizona. The SBDC joins 10 such centers in Arizona – one of 50 participating states. Northland's center serves Navajo and Apache counties. Its programs, resources and services focus on a broad range of business issues. The SBDC staff members and consultants work with clients to identify problem areas and develop strategies to deal with them. The SBDC provides quality educational programs, access to resources, and one-on-one counseling to small businesses throughout the region. The primary goal of the SBDC is to work with small businesses to maximize their success.

The SBDC offers confidential, no cost counseling services to small business owners. Counseling is offered in various locations throughout the region, usually in facilities operated by Northland or other participating agencies. The no cost counseling is offered in Winslow, Holbrook, Snowflake/Taylor, Show Low, Pinetop/Lakeside, St. Johns, Springerville/Eagar, and on the Navajo, Hopi and Apache reservations.

The SBDC hosts and co-sponsors seminars and noncredit workshops for small businesses, covering topics like starting a new business, writing a business plan, financing, accounting and bookkeeping, marketing, management, and doing business with the Government workshops on topics

like, exporting, clean technology, hubzone, women owned business, SBA loan programs and

Veteran's services. The Small Business Development Center's services are normally accessed first through a call to the SBDC main office in Show Low at (800) 266-7845, ext. 6170.

Workshops and seminars are promoted at campuses and other sites with posters and fliers. To attend a session, phone the number listed on the poster, flier or newspaper press release or visit www.npcsbd.com.

The SBDC updates the media regularly with press releases and articles concerning small business topics and events. Referrals from banking institutions, cities, chambers of commerce, economic development organizations, SBA and other clients are often the best sources of new clients for the counseling program. Visit the SBDC website at www.npcsbd.com to access the services online by either completing a *Request for Counseling* Form or by using email and other communication.

The Small Business Development Centers are partially funded by the Small Business Administration. The support given by the U.S. Small Business Administration through such funding does not constitute an express or implied endorsement of any of the co-sponsor(s) opinions, products or services.

For more information or assistance, call SBDC Director Tracy Mancuso, (800) 266-7845, ext. 6170 or email tracy.mancuso@npc.edu.
